

# YRDSB Secondary Summer School Programs

Registration is now open for YRDSB students through [MyPathwayPlanner](#)

## Remote Learning

(replacing face-to-face learning in the summer of 2021)

Remote learning is being offered this summer in place of traditional face-to-face summer school as a result of the COVID-19 pandemic. Remote learning classes will occur in a virtual environment using a synchronous model. Course offerings are available on the YRDSB [website](#).

Students are required to attend online from 8:45 a.m. to 3:33 p.m., with scheduled breaks and a lunch break.

### Acceleration Courses (110 hours - Wed July 7 to Fri July 30)

- Compulsory and Elective subjects
- Cooperative Education opportunities
- French Immersion courses
- English as a Second Language
- International Languages (Spanish, Simplified Mandarin, Farsi)

### Credit Upgrading Courses (55 hours - S1: Wed July 7 to Mon July 19 / S2: Tues July 20 to Fri July 30)

Credit Upgrading Courses provide YRDSB students the opportunity to review and strengthen key learning in a course they passed during the 2020-21 school year.

### Reinforcement Courses (55 hours - S1: Wed July 7 to Mon July 19 / S2: Tues July 20 to Fri July 30)

Reinforcement Courses provide students the opportunity to review foundational learning and demonstrate expectations in a course they previously were unsuccessful in.

## Online Learning

(formerly known as e-Learning)

Online Learning courses are specifically designed to be taught in a fully online format. Classes occur online using an asynchronous model. Students are able to access course content at any time and daily synchronous check-in opportunities with the teacher are provided. More information about the online learning program is available on the YRDSB [website](#).

### Acceleration Courses only (110 hours - Fri July 2 to Wed July 28)

- Compulsory and Elective subjects

**Please note:** course offerings are not guaranteed as they are subject to sufficient enrolment and available staffing.
