Parking Lot Student Drop Off Announcement

Emergency Fire Routes – NO PARKING is permitted at any time.

It is imperative that drivers using school parking lots do not park in emergency fire routes. The City of Markham will issue a \$200 fine for this violation.

The City of Markham By-Laws (#2008-1) state,

- **No person shall park a motor vehicle on, or along, any part of a designated fire access route at any time.**
- **"Stop" or "Stopping" means the halting or leaving of a motor vehicle, even momentarily, whether occupied or not, except when necessary to avoid conflict or in compliance with the directions of a police officer or of a traffic control sign or signal.**

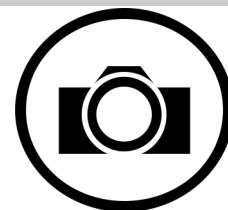

There is a "drop off/pick up" zone identified within the emergency fire route. This area can only be used when you are dropping off or picking up a student and you are not sitting, waiting for the student. The student must already be in this designed area, ready to be picked up.

If you have any questions about emergency fire routes, please contact the City of Markham, By-Law Enforcement Office.

Guidance News

Course Verifications were distributed on Friday, April 1st in every homeroom class. Please read the following to ensure accurate course selections for next year.

If your son/daughter is satisfied with the choices selected , you may keep the sheet and no further action is necessary.

If you would like to change your request please check the information and follow the steps indicated:

Cross out the course(s) to be deleted and **print** the **replacement** course code **and** course title to the right of the course you wish to delete.

The sheet must be signed by parent/guardian and returned to the guidance office at Unionville High School no later than **Tuesday, April 5th, 2016.**

It is very important that students consider their selections very carefully to ensure availability of courses. Once classes begin, in both semesters 1 and 2, course changes will be processed only in exceptional situations and based on availability.

Board Policies and Procedures

Policies and procedures govern the operation of the Board and our school. To ensure they remain current, the Board reviews policies and procedures on a regular cycle. Seeking feedback from staff and community members, including parents/guardians, is an important part of the review process.

All policies available for comment are sent to school council chairs, and are posted on the [Board website](#) along with information about how to provide feedback. The policies currently available for comment include:

- Student Accommodation Review (comments due by April 25)
- Anaphylactic Reactions (comments due by August 25)
- Respectful Workplace and Learning Environment (comments due by August 25)
- Environmental Responsibility (comments due by January 2, 2017)
- Appointment of Community Members to Board Committees (comments due by January 2, 2017)
