Registration is now OPEN for all Unionville High School Students

Great news and many thanks! More than **1200** UHS families have successfully registered online and will be avoiding the lineups. For students who have registered online, semester 1 timetables will be emailed to student GAPPs accounts on September 1. Additional timetables will be emailed as students complete the online registration during the week.

Students are reminded to keep a copy of their timetable, preferably on their mobile device or a hard copy of their own as the timetable includes course information, room numbers, and locker information as well.

Paper copies of the timetable will **NOT** be available at school.
