Message from the Guidance Office

Community Involvement Hours

The Winter Break is a great time for students to work on completing Community Involvement Hours. Students are reminded that they must have their activity pre-approved prior to completing the activity. A special reminder to Grade 12 graduating students that completed community involvement hours need to be submitted to the Guidance secretary by January 31st, 2019. To learn more about volunteer opportunities, students are encouraged to join the Community Involvement Google classroom using the code:

bf1jq7. Students may also view the Community Involvement board outside the Guidance office or meet with a Guidance counsellor.

PARENT BULLETIN

Grade 9 Math EQAO Assessment

The Grade 9 Math EQAO Assessment will be administered on January 17th and 18th for grade 9 students enrolled in Grade 9 Academic or Applied math during semester one. Please ensure that if you have a student currently enrolled in Grade 9 Math that they are in attendance during the assessment dates. The assessments will be completed during the regularly scheduled math class. Additional information will be sent home to students who require accommodations for special education and/or English Language Learner needs. Additional resources for students and parents can be found on at www.eqao.com. If you have a question about the EQAO math assessment or necessary accommodations, please email Krista Pummell (Vice Principal) at krista.pummell@yrdsb.ca

Alumni Panel Presentation

UHS held our 2nd annual Alumni Presentation On Thursday, December 13th. The UHS alumni panel consisted of students from The University of Toronto, Scarborough campus for English Arts, and Business, and from the St. George campus for Arts and Humanities.

The panel provided grade 12 students with valuable information regarding post-secondary programs, course work, and they shared important tips to assist our current students with their transition from high school to post-secondary schooling. We look forward to having our future graduates return next year to share their experiences of post-secondary education.
