## A Message from our Trustee

### **Message From Our Trustee**

As we near the end of 2016, I hope everyone has had a great school year so far and found opportunities to get involved with the life of the school.

It is wonderful to have opportunities to see not only what our students are learning, but to see how they are learning – collaborating and problem solving, using technology in exciting new ways, and engaged in hands-on activities.

I want to take this opportunity to thank the dedicated staff members, students, families and community members across our Board. Thanks to all of the great people we have in our system, we continue to advance student achievement and well-being.

Our Board continues to have a strong commitment to creating welcoming, inclusive learning environments that enable all of our students to thrive. Engaging families in your child's education and the school community is an important part of creating that environment.

There are resources for families available on our Board website at [www.yrdsb.ca/parents](http://www.yrdsb.ca/parents), including information on Board programs and supports, and tips for parents to support your child's learning at home and at school.

Best wishes to everyone for a safe and happy holiday season and a wonderful start to 2017. I hope you are able to enjoy time with family and friends.
