## Guidance News

Tentative timetables for semester 2 were distributed to students this past Wednesday in homeroom classes. Students that do not have a homeroom class can pick up their timetable from the Guidance office. Students are asked to carefully review the timetable. If there is an issue with the timetable, students can access the on-line timetable change request form. Instructions on how to access the form were provided on the reverse side of the timetable.

Please note the following:

Students with the following timetable concerns listed below will be addressed first:

- students with an incomplete timetable (less than 4 courses for grades 9-11)
- students who require a course level change (e.g., academic, applied)
- students missing a prerequisite or
- students missing graduation requirements

Once these issues have been resolved, Guidance counsellors will continue to meet with students to address individual requests.

**All students must follow their assigned timetable until contacted by Guidance.**

**Course change requests will not be accepted via email or over the phone.**
