Message from Our Trustee

December 2019 – Trustee Greetings for School Newsletters

Message from Our Trustee

One of our top priorities as a school board is creating an environment that enables our students to focus on learning and being successful. That means creating environments where students are safe and feel safe, where all of our students know that they are welcome and supported, and where they see their identities reflected, valued and celebrated.

Championing Equity and Inclusivity

Championing Equity and Inclusivity is one of the priorities outlined in the [Board of Trustees' Multi-Year Strategic Plan](#). We are fortunate to live in one of the most diverse regions of Canada, and welcome students, staff and families with a broad range of identities and experiences. There has been much work underway at the Board in the past few months to ensure we are providing all of our students with a safe, equitable and inclusive learning environment, including:

- Providing [Board-wide training](#) for over 12,000 school staff on anti-Black racism.
- Acknowledging [Treaties Recognition Week](#), and learning about the importance of treaties and treaty relationships in Canada from First Nations community members.
- Bringing together over 250 students and staff at our annual [SpeakOut conference](#) for the 2SLGBTQ+ community.
- Hosting a labour market information night for parents to learn about current and future career opportunities and employment trends.
- Bringing together hundreds of members of the education community for three days of learning focused on Indigenous Education and Equity at our world-renowned [Quest conference](#).

I have had the opportunity to attend various school meetings including School Councils, Regional School Council Forum, Quest Conference and York Regional labour market information night. I have also spoken to parents, students and educators first hand. It is important that our families know and feel that they are a valued, respected and important part of our school community. In the recently held regional school council forums that brought together school council members from across the region, we learned and shared together on important topics such as engaging families, vaping and problematic gaming. It was wonderful to see so many family members there. I have visited no less than eight school council meetings so far this year and it is my mandate to visit every school council in the school year as it provides me with great opportunities to listen to and interact with families. As a pilot project commencing since the beginning of the year, a few schools piloted Active School Travel, which promotes students to walk or cycle to schools with their families. It was well received and feedback was also received from families.

The Board of Trustees was also pleased to receive and commit to taking action on the recommendations in response to the Anti-Black Racism, Antisemitism, Classism and Islamophobia community consultations.

Winter Months

With the winter weather already upon us, I also want to remind families that school transportation may be cancelled on [extreme cold or inclement weather days](#), and there may be rare occasions when emergency weather conditions result in school closures. To ensure families are aware, last month, we tested a new system to send text messages to families in emergency situations only. Information about transportation cancellations and school closures will also be available on Board and school websites, Board social media channels and local media.

Many of our students and families will be celebrating days of significance and holidays in the coming weeks and months, and I wish you all the very best for the season. I hope everyone has a safe and happy winter break and we look forward to welcoming students back in January.

Ron Lynn

Trustee, Markham, Wards 2, 3 and 6

Winter Weather Notice

Dear Families,

As we go into the winter months, it is important that families are aware that there may be rare occasions when emergency weather events occur and we need to close all schools and Board locations.

Emergency winter weather

Emergency closures will be considered when facilities may not be safe for students and staff members to attend school for the full day. This may include events that significantly limit school operations or access to the school site, or cause widespread, prolonged power failures or downed power lines.

In keeping with our current practice, we will continue to keep our schools open as much as possible. However, it is important that families have alternate childcare arrangements planned for the rare occasions when schools may be closed. Before and after care programs will also not operate if schools are closed. Please take the time to make plans in the event of an emergency school closure.

School transportation cancellations

School transportation (buses and taxis) may be cancelled due to extreme cold or inclement weather. If transportation is cancelled in the morning, it will also be cancelled for the afternoon. On these days, schools will remain open unless otherwise stated.

Families can use their best judgment to decide whether to send their children to school on inclement weather days. Students will not be penalized for missing school. For safety reasons, you are required to let the school know if your child will not be attending school that day.

Communication to families

Decisions about school transportation and school closures will be made as early as possible and no later than 6:00 a.m.

We are introducing a new communications system that will send **text messages to parents/guardians for emergency purposes only**. This includes the rare event of a school closure. Parents/guardians have the ability to opt-out of receiving text messages should they choose.

We will do our best to notify families in advance when we may be considering closing school and Board offices. Our priority continues to be the safety of our students, staff members and families. If you have any questions, please speak with your school principal.

Transportation cancellations or school closures will also continue to be communicated through:

- Student Transportation Services website: www.schoolbuscity.com
- Student Transportation Hotline: 1-877-330-3001
- [Board website](#) and school websites
- [@YRDSB](#) Twitter account
- Radio and TV media outlets

For more information on [severe weather days](#), please visit our website www.yrdsb.ca.

Sincerely,

Louise Sirisko Director of
Education

LIVE WELL TAKE ACTION PROGRAM

Looking for Student Participants: The “Live Well, Take Action: Ambassador Program for East Asian Youth” is currently accepting applications from East Asian youth who are interested in or have the potential to engage in social activism, current issues and community development. Prospective students may not necessarily be holding leadership roles or considered to be “loud” or outspoken. Workshops will focus on wellness, critical thinking and communication skills, and students will apply their learning by creating group projects that will be presented at various events. Volunteer hours and snacks will be provided! For more info, visit our website at: livewelltakeaction.com or contact Ms. Farwell, Guidance Counsellor, at michelle.farwell@yrdsb.ca. Deadline to apply is **Friday, January 17th, 2020**.

Grad. Google Classroom

Grade 12 students are encouraged to join the UHS Grad Google Classroom to receive important up-to-date information about graduation and post-secondary planning. Students can sign up using this **Google Classroom code**: rhg0eyg

Intersecting Identities Show

As part of the Intersecting Identities Show at YRDSB’s Education Centre in Aurora, our visual art students will have their organic ink works displayed from December 2 to January 8. The artwork reflects student voice and addresses issues such as power and privilege, colonialism, identity and marginalization. It was created in a workshop called [#LandIsSacred](#), [#WaterIsLife at the McMichael Gallery](#). This thought-provoking studio was developed in collaboration with Michif artist Christi Belcourt.

Night School E-Learning

Night School E-Learning registration is now open for Grade 11 and 12 courses offered in Semester 2. Please see your Guidance Counselor to complete the application form. Only students who cannot get the course in day school are eligible.

Winter Fantasia 2019

Winter Fantasia 2019 featuring all of our large performing ensembles at Flato Markham Theatre **December 10 and 11 – 7:00pm**. Tickets are available on School Cash Online.

Alumni Panel Presentation

UHS Guidance department will be hosting an Alumni Panel Presentation. We have invited students that have graduated last year to speak to current grade 12 students about their experience with post-secondary education and to offer tips and advice regarding post-secondary programming.

The presentation will be held on: **Friday December 13th period 3 in the Library**

Grade 12 students interested in attending this presentation are asked to sign up using the bit.ly link below (please ensure that students are logged into their school gapps account and not their personal Google account). **The deadline to sign up is Thursday December 12th.**

<http://bit.ly/alumnipanel2019>

A permission form will be emailed to them once they complete the on-line Google form.

A parent/guardian will need to sign it in order to for the student to attend. Students are asked to speak to their teacher in advance if they are missing a period 3 class.

On the day of the presentation:

Step 1: Show the form to your teacher if you are missing a period 3 class.

Step 2: Bring the form to the library as this will be your ticket into the presentation confirming your attendance.

Field Trip Policy Communication

Dear families,

As you know, UHS students participate in a variety of experiential learning activities organized by their teachers. These experiences for individuals, small groups, and classes include participation in conferences, excursions, and performances.

A field trip is considered any off-site event that is organized by a UHS teacher. The teacher is responsible to organize transportation, supervision, and ensure that informed consent forms are signed by parents/guardians and received by the main office prior to departure. Please note that we collect payment for field trips using School Cash Online only. If you require assistance with School Cash Online, please contact our main office.

Volunteer opportunities differ from field trips and are communicated through our Guidance Department. Please be advised, the YRDSB is not responsible for transportation or supervision when students make contact with community members to arrange volunteer opportunities.

If you have questions regarding field trips and volunteering, please contact a member of the administration team.

Sincerely,
Suelyn Cheong
