Students in the library during class time

We would like to remind everyone that students may not be authorized to sign-out from their regular classroom to work in the library. Students may use the library only during their spare/lunch period to complete their homework assignments or when accompanied by their classroom teacher as part of their program. The library staff will continue to monitor the students in the library, and send them back to class. The safety of our students depends on them attending their classes while on school property.

PARENT BULLETIN

CNC Plasma Cutting

The grade 12 Arts Unionville students are designing a large mural of the newly constructed Aaniin Community Centre and Library. The proposed design requires pieces to be CNC plasma cut from several 4' by 8' sheets of metal. We are interested in partnering with a local business willing to support this project at a fair price.

Please contact Shane Clodd, Visual Arts Department Head, @ shane.clodd@yrdsb.ca for more information.

USAC's December Food Drive!

This year Unionville High School's Student Council will be hosting our annual Food Drive during the month of December (Wednesday December 6th - Tuesday, December 19th). This charity event has always been exceedingly successful in the past years and we are expecting it to be even more so this year. The Food Drive is a school-wide event in which students are encouraged to donate non perishable food items to those in need. With holiday season approaching, the drive is an amazing opportunity for students to work together and support our community. This year, our Student Council will be donating all proceeds to the Markham Food Bank, an organization that works "to provide emergency food items to Markham residents in need."

Please encourage your peers/students to bring in non perishable items and gather them in homeroom classrooms. Homerooms will compete against each other for a chance to win awesome prizes! Start bringing in your food!
