Wellness Day

Our very own Science Teacher, Ms. Elana Taub will be doing our next Wellness Workshop December 14th in the Large Gym during Period 2, 3 and 4! She is doing a **Cardio Boot Camp** which is a medium to high intensity cardio workout set to music. It involves intervals of aerobic activity followed by resistance training using one's own body weight. Comfortable clothing, supportive running or cross training shoes, a water bottle and a "take no prisoners" attitude are required. Anyone interested can just show up during their lunch and space will be made available on a first-come-first serve basis.
