Unionville High School Guidance Department

As a continuation of our Celebrating Black Excellence campaign, YRDSB will be celebrating Black History Month with the Celebrating Black Excellence - Black Voices project.

Celebrating Black Excellence - Black Voices aims to centre and celebrate the Black members of our YRDSB community and share their voices. This Black History Month campaign asks students, staff and families who identify as Black to consider submitting a short video of themselves answering one or more of the following prompts.

- I am proud to be Black because..
- It's important to me that I see my identity affirmed at school/work because...
- What I need at school/work is...
- People need to know that...
- I love myself because...
- I am magic because...
- Do you have a story to tell? Let us know what it is.
- If these prompts don't resonate with you, please feel free to answer a prompt or question of your own making.

These videos will be shared as Reels on the @yrdsb.schools Instagram account throughout the month of February, and may be featured on the Black Excellence webpage or in a YRDSB video.

Submissions from students and staff can be made through an internal form. If your child is interested in making a submission, please ask them to contact a staff member or principal at their school for details.

Community members who are interested in making a submission can do so through our public submission form which is available on the [Celebrating Black Excellence](#) webpage.

EVERY STUDENT COUNTS SURVEY

YRDSB Student and Family Surveys

We will be inviting all students in Grades 4-12 and students in Grades K-3 to participate in the 2022-23 Every Student Counts Survey in the Spring of 2023. Surveys will be available online and will take approximately 20 minutes to complete.

You and your child should have received a letter from the Board notifying them that the survey will be taking place. The surveys will provide the Board and our schools with valuable information about the learning experiences of students and families this year that are used to inform Board and school planning and to support student achievement and well-being.

Students in Grades 4-12 will be given class time to complete the survey at schools. Students in Grades K-3 are encouraged to complete the survey at home with their family. Families who do not want their child(ren) to be sent an invitation to participate in the survey will be given a chance to opt their child out of receiving the survey in the new calendar year.

As our first partners in education, we value input from families and encourage parents/guardians to complete the survey. The information provided will be confidential and kept in strict accordance with all relevant legislation.

Please contact Research Services at research.services@yrdsb.ca if you have any questions or visit the [Board website](#) to learn more.

ESCS Public Survey Consultation

York Region District School Board will be conducting the Every Student Counts Survey with students in Grades K-12 from April 24, 2023 - May 12, 2023. As part of the survey development, we are asking families to review our [draft surveys](#) and provide their feedback.

Student and family feedback is critical to the survey development process and helps to ensure that the survey is an accurate reflection of our school communities. Responses made through the feedback form are voluntary, confidential and anonymous.

The feedback form will be available from February 3, 2023 - February 10, 2023.

Teach Assist Dropped Course Issue

Students may notice on Teach Assist that previously dropped courses are appearing. The YRDSB IT department recently completed an update, which caused dropped courses to appear in Teach Assist. Please be aware that the courses are not scheduled and will not appear on the transcript.

In addition, students may notice that courses have been removed from Teach Assist. If this is the case, please contact the teacher and they will report it to the IT department. Again, these courses have not been dropped and students still remain scheduled in the course.

Semester 2 Timetables

The Guidance department recognizes that many students still have incomplete timetables for semester 2. We are aware of the courses required for each student and are working as quickly as possible to complete timetables. Semester two timetables will be emailed to student GAPPS emails and parent/guardian emails on file February 3rd. Just a reminder that elective course changes will not be accepted. Thank you for your patience and understanding.

NBE3U Announcement

We are pleased to announce that all sections of ENG3U next semester will be changed to NBE3U as of February 6.

Students who had ENG3U on their timetable for semester two will now see it replaced by NBE3U.

NBE3U is equivalent to ENG3U and intended to prepare students for the compulsory Grade 12 English University course.

NBE3U explores the themes, forms, and stylistic elements of a variety of literary, informational, graphic, oral, cultural, and media text forms emerging from First Nations, Métis, and Inuit cultures in Canada, and also examines the perspectives and influence of texts that relate to those cultures. In order to fully understand contemporary text forms and their themes of identity, relationship, and self-determination, sovereignty, or self-governance, students will analyze the changing use of text forms by Indigenous authors/creators from various periods and cultures in expressing ideas related to these themes. Students will also create oral, written, and media texts to explore their own ideas and understanding, focusing on the development of literacy, communication, and critical and creative thinking skills necessary for success in academic and daily life.

“The history of Canada begins with Indigenous peoples; this land’s development and its future are inextricably linked to its first inhabitants. In this unique position, Indigenous peoples have perspectives on and knowledge of this land and of humanity that can inform how Canada addresses global challenges in the twenty-first century. Exploration of Indigenous cultures, ways of knowing, and contributions to society is therefore essential for students as the global citizens and problem solvers of tomorrow.” (The Ontario Curriculum Grades 9 to 12: First Nations, Metis, and Inuit Studies Revised 2019).

If you have questions regarding this change, please contact a school administrator.

Preparing for Severe Weather

As we are getting into colder climates and temperatures, here is a message that was sent to families from the YRDSB :

Dear families,

With yesterday’s announcement from Ontario’s Chief Medical Officer of Health regarding masking and winter weather approaching, we want to provide families with an update on masking and the steps we take to keep students safe when severe weather occurs.

Masking in Schools

Yesterday, Ontario’s Chief Medical Officer of Health strongly recommended that individuals wear masks in indoor settings. We continue to consult with York Region Public Health, who are strongly recommending masking in indoor settings. York Region schools and workplaces continue to be mask friendly environments and masking is strongly encouraged in YRDSB schools and buildings, and on all forms of school transportation. All students, staff, families and visitors who choose to wear a mask, or who are advised or required to wear a mask will be supported in doing so. A limited number of masks are available; children who wish to wear a mask but do not have access to one, may contact their school.

School Transportation Cancellations

School transportation (buses and taxis) may be cancelled due to extreme cold or inclement weather. On these days, schools will remain open unless otherwise stated. If school transportation is cancelled in the morning, it will also be cancelled in the afternoon. Any special or hot lunch days and field trips will also be cancelled.

Families should use their best judgment to decide whether to send their children to school on extreme cold or inclement weather days. Students will not be penalized for missing school on those days. For safety reasons, please let the school know if your child will not be attending school that day.

School Closures

Emergency closures will be considered when conditions may not be safe for students and staff members to attend school for the full day. This may include events that significantly limit school operations or access to the school site (e.g., widespread, prolonged power failures or downed power lines).

In keeping with our current practice, we will continue to keep our schools open as much as possible. However, it is important that families have alternate childcare arrangements planned for the rare occasions when schools may be closed. Before and aftercare programs will not operate if schools are closed.

Communication to Families

Decisions about school transportation and school closures will be made as early as possible and no later than 6:00 a.m. We will do our best to notify families in advance when we may be considering closing school and Board offices. Transportation cancellations or school closures are communicated through:

- Student Transportation Services - www.schoolbuscity.com or 1-877-330-3001
- Board and school websites
- @YRDSB Twitter account
- Radio and TV media outlets

For more information on severe weather days, please visit our website www.yrdsb.ca.

Prayer/Meditation Space Request

Does your child need a space to practice their faith? All students who would like to use our Prayer/Meditation Space for the 2022-2023 school year should complete the School Start Up forms: <https://startupforms.yrdsb.ca/> and email Ms. Kyriopoulos (effie.kyriopoulos@yrdsb.ca) for more information.
