Friday February 15 Day 2	<ul style="list-style-type: none"> Music Trip to Germany (Feb 15-24) Photo Day (Semester 2 new students & Grad Retake)

Inclement Weather Days

Inclement weather days are called by the board when it would not be safe for bussing across the region. On an Inclement Weather day, all examinations, tests, quizzes, and other performance tasks are cancelled. School is still open but students will not be penalized if they are unable to attend.

Parents and guardians, please inform the school office if your child will not be attending on an inclement weather day. Parents and guardians should use their best judgment to decide whether to send their children to school on inclement weather days, understanding that if they choose to send their child, that the child should remain at school for the day and must be picked up at the end of the day.

Please see our YRDSB website for more information:

PARENT BULLETIN

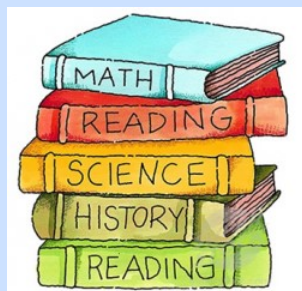

Guidance News

The course selection process has begun. On Thursday February 7th, all grades attended a course selection presentation related to their grade to receive information regarding course selection. These presentations can be accessed on the school website under the Guidance tab (<http://www.yrdsb.ca/schools/unionville.hs/guidance/Pages/default.aspx>). In addition to the presentation, students can access instructions on how to complete their course selection under the IPP Google Classroom (classroom code: **81rm8qf**)

On Monday February 11th, all students will receive a copy of their credit counselling summary from their period 1 teacher. Students who do not have a period 1 class can pick-up their credit counselling summary from the Guidance office. We ask that students review their credit counselling summary and use it to help them select courses for next year.

Guidance is offering 'drop-in' help sessions from February 11th to the 22nd in the Guidance office. Guidance Counsellors will be available during this time. Students have been instructed to come during their lunch.

Students will be able to submit their course requests in My Pathway Planner beginning February 11th, however all course requests must be submitted no later than **February 22 in My Pathway Planner**. Once course requests have been submitted, they cannot be changed. Course requests must be printed, signed by students and their parent/guardian and submitted to homeroom teachers by February 25. Students who do not have a homeroom teacher can submit their printed requests to the Guidance Secretary. In early spring, students and their parents/guardians will have an opportunity to request changes on their course verification sheets. After this time, course changes will not be made. For the 2019-2020 school year, elective course changes will NOT be completed.

PARENT BULLETIN

School Council Meeting

School Council Meeting – Monday February 11, 6:30 p.m.

OSSLT Information

Is your child writing the Ontario Secondary School Literacy Test this school year? If so, please see this website for helpful information, sample questions, and preparation tips for students: [OSSLT Preparation Guide](#)

Aquatic Leadership Program Part 2

Be certified as a lifeguard ready for employment

Program Information:

The Aquatic Leadership Program – Part 2 has been extended to include partnerships between the York Region District School Board, Continuing Education and the City of Markham and the City of Vaughan. The program uses a blended learning format consisting of pool instruction, face-to-face instruction in class and on-line learning. Upon completion, successful students may earn the following courses and certifications:

- Secondary School Grade 12 Credit - Recreation and Healthy Active Living Leadership - PLF4M
- Lifesaving Society National Lifeguard Certification
- Lifesaving Society Swim and Lifesaving Instructor

An examiner from the Lifesaving Society will evaluate the final aquatic skills examinations for the lifeguarding and swim and lifesaving instructor certifications. Students must pass the final exam for each aquatic course including the in-water examinations in order to receive their lifeguarding and swim and lifesaving instructor qualifications. Credits and certifications may be granted independently.

COST: \$250 includes all course materials and training manuals.

City of Markham Milliken Mills Community Centre 7600 Kennedy Road, Markham ON. L3R 9S5	City of Vaughan Woodbridge Pool 5020 Highway 7, Woodbridge, ON. L4L 1T1
