

- After the “by appointment” exam is over, students are kindly asked to leave the premises. Students who have “by appointment” exams should not linger in corridors as other exams are in progress.
- During exams, the **cafeteria servery and library will be closed**.
- Students are expected to attend school only for the days/times when they have an exam. Students leave the premises when the exam is over. Students should make transportation arrangements accordingly.
- **Community Classes will continue to run during the exam period as per their regular hours.** Community class start times, end times and transportation continue as normal during exams.
- Courses that do not have exams will not appear on the exam schedule. Parents with students in these courses should be aware that students are required to complete project based work in lieu of an exam activity. Teachers may arrange appointments to support students in completing this project work during exams.

If you have questions, please contact us at [unionville.hs@yrdsb.ca](mailto:unionville.hs@yrdsb.ca) or at 905-479-2787.

Kind regards,  
The UHS Administration

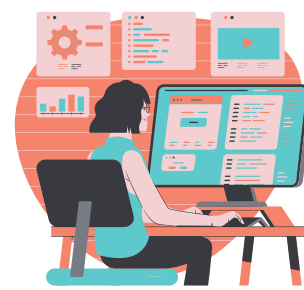

### **Canadian Computing Contest - Wednesday February 21, 2024, 12:15 -3:15 pm**

The Canadian Computing Contest (CCC), administered by the University of Waterloo is a programming challenge for high school students with an interest in programming. It is an opportunity for students to test their skills to present coding solutions to five progressively challenging programming questions. Please see: Canadian Computing Competition (<https://cemc.uwaterloo.ca/contests/computing.html>) for more information.

The Computer Science Club of UHS, has been allocating time on a weekly basis to coach and prepare students for this Contest. Join the **Computer Club Google Classroom** for more updates! Code: **cyzkrgh**.

We encourage students who have taken any computer science course such as: **ICD20, ICS3U** or **ICS4U**, to consider doing the contest. Participating in the CCC is a great experience regardless of your level and counts towards one of the **STEM** requirements as well.

Contest Details: (only for all registered students)  
Date: Wednesday February 21th, 2024  
Time: 12:15 pm - 3:15 pm

# UHS Safety First and Cross with Care

 **IMPORTANT SAFETY MESSAGE FOR PARENTS: ENSURE SAFE CROSSING FOR YOUR CHILDREN!** 

Dear Parents and Guardians,

The safety of our Unionville HS students is our top priority, especially when it comes to crossing roads. As we know, crossing busy streets such as Highway 7 and Warden, poses potential risks. Here are some essential reminders to ensure our students cross the road safely:

1. Understand and adhere to school zone rules. These areas often have reduced speed limits and additional safety measures to protect pedestrians. Please obey all the traffic signs, such as the speed limit signs, one-way signs and stop signs.
2. Ensure your child understands the basic rules of road safety - looking both ways before crossing, waiting for the signal, and only crossing at designated crosswalks.
3. Emphasize the importance of using designated crosswalks. Explain that these areas are specifically designed for safe pedestrian crossing, reducing the risk of accidents.
4. Discourage the use of electronic devices while crossing the road. Remind them that paying attention to their surroundings is crucial for their safety.
5. Student parking. Students should only park in the student parking lot on the Warden side.

Let's work together to create a community where our UHS students can navigate the roads confidently and safely. By reinforcing these simple yet crucial guidelines, we can contribute to a secure environment for all.

Thank you for your cooperation and commitment to the safety of our students at UHS!

## Virtual Consultations for Parents/Caregivers of the Tamil Diaspora Community

In the YRDSB's ongoing effort to support achievement and well-being for students who are racialized and/or marginalized by oppression, and in support of the actions and goals set out in the [Director's Action Plan](#), as well as the [Student Mental Health and Addiction Strategy](#), we are offering virtual Community Care Team Social Work consultations for parents/caregivers of Tamil identifying students across the board.

This year we are piloting consultations directly with parents/caregivers of the Tamil Diaspora Community to enhance service access and language-specific support when seeking mental health services for their children. Through culturally affirming consultations, we are hoping to reduce barriers to accessing mental health support and fostering stronger relationships between the students, families and schools.

For more detailed information about this service, please check the posters below:
