## CRAZY FOR OUR TALENTED STAFF & STUDENTS!

Congratulations and a huge thank-you to all the students and teachers who made this year's SHOWTIME production of CRAZY FOR YOU such a wonderful success. Many departments took part in the success of this musical, including Marketing, Design, Tech, Music, Drama, and the Dance department. It was an inspiring team effort. An enormous debt of gratitude also goes to all UHS teachers for their patience and understanding during the week leading up to the performances.

## Cafeteria Service During Exams/ Hot Breakfast

## Baythorn Public School Invitation

Hello Dear Colleagues;

We want to invite you to our integrated arts show, please come and see what we do. We have three shows and the dates and times are as follows:

**Tuesday, February 27<sup>th</sup> at 7:00 pm, Wednesday, February 28<sup>th</sup> at 11:00 am and 7:00 pm.**

If you are able to attend one of the shows, please let me know so I can hold a ticket or tickets for you. Please see below for a brief description of the theme and process our students enjoy.

***"Ladies and gentlemen, this is your Captain speaking. On behalf of the entire crew, we welcome you aboard AWTY Airlines flight 123, non-stop service from ignorance to expertise. Our flight time will be 2 hours, including a brief stop-over in the lobby. Please enjoy our inflight entertainment..."***

This year's intermediate integrated arts show asks the literal and philosophical question, "ARE WE THERE YET?" The students began in May of 2017 exploring the theme of Geography. They wrote songs like, "Come and Learn about Geography" which defines the geographic inquiry process, "Places Polka" which celebrates continents, towns and countries, and most importantly, "We Need a Break Through" that encourages environmental consciousness. The integrated learning continued from there in language, science, history and the arts subjects. Our final product welcomes the audience on a flight around the world. The "inflight" entertainment integrates music, dance, spoken word, and media with the ultimate goal of engaging in the geography curriculum. From Dora the Explorer to Human Rights and even a short visit from the President of the United States, our student's perspective and understanding will amaze!

Sincerely,  
**Kate Kurek**
