Summer School Applications

Students who register for summer school on Career Cruising must bring the **ConEd Services Sign Off Sheet** into the Guidance Department immediately for approval, otherwise the course may be deleted from the system. You can check to see if the course has been approved by going into your course planner, clicking on the print button, and there will be a date of approval beside the course if you handed it in to Guidance. You can check out the courses at:

International Language Credit Programs

Registration is now available for students who would like to take an international language course for credit! They are year long courses that begin in September 2018. Interested students can register on Career Cruising. Please print off the registration form and hand it in to Guidance for approval. From May until September 12, register online with [Career Cruising](#). See the [instruction](#) tip sheet for more information.

Community Involvement
