By attending, you'll gain valuable insights into how we can make a difference in our local area and beyond.

Safety First - Message from UHS Administration Team

  **IMPORTANT SAFETY MESSAGE FOR PARENTS: ENSURE SAFE CROSSING FOR YOUR CHILDREN!**  

Dear Parents and Guardians,

The safety of our Unionville HS students is our top priority, especially when it comes to crossing roads. As we know, crossing busy streets such as Highway 7 and Warden, poses potential risks. Here are some essential reminders to ensure our students cross the road safely:

1. Understand and adhere to school zone rules. These areas often have reduced speed limits and additional safety measures to protect pedestrians.
2. Ensure your child understands the basic rules of road safety - looking both ways before crossing, waiting for the signal, and only crossing at designated crosswalks.
3. Emphasize the importance of using designated crosswalks. Explain that these areas are specifically designed for safe pedestrian crossing, reducing the risk of accidents.
4. Discourage the use of electronic devices while crossing the road. Remind them that paying attention to their surroundings is crucial for their safety.

Let's work together to create a community where our UHS students can navigate the roads confidently and safely. By reinforcing these simple yet crucial guidelines, we can contribute to a secure environment for all. Thank you for your cooperation and commitment to the safety of our students at UHS!
