PARENT BULLETIN

Tier 2 Junior Girls Volleyball Team

Congratulations to the tier 2 Junior Girls Volleyball Team on an excellent season! The girls had a lot of setbacks with numerous inclement weather days which altered their schedule such that they played against the strongest teams in the division. All of their hard work and dedication paid off in the end as they rose to the challenge during their playoff tournament. The girls had to win their first two games to get into the semi finals where they beat TCH. Finally, they needed all three sets to prevail as champs over the Keswick Cougars.

Well done team. Mr. Sanchez and Mrs. Minhas are incredibly proud of the growth and determination demonstrated by every single one of you!

Featuring presentations by

Elizabeth Moore

Elizabeth was born and raised in Scarborough, Ontario. While attending high school, a friend introduced her to the white supremacist group, the Heritage Front. Moved by feelings of anger and ignorance about the racial, cultural and economic tensions in her school, she embraced the racist-right. Elizabeth left the Front in 1995 and has since contributed to numerous anti-racist education and arts initiatives, reaching millions with her story of personal change. In 1998, her time within the Heritage Front made up part of the award-winning CBC drama, *White Lies*, starring Sarah Polley and Lynn Redgrave.

Evan Baggord

Evan is a journalist and researcher on the rise of the new far right in Canada, including the anti-Muslim movement, so-called patriot and militia groups, the alt-right, self-identifying fascists and neo-Nazis. Evan monitors hate groups across Canada and is often called on to share information with other journalists, researchers, law enforcement, and community organizations. He holds an Honours Bachelor of Science from the University of Toronto and double majored in psychology and sociology with a focus on racism, politics, and the link between speech, intentions, and behaviour. He is a fellow of the Munk School of Global Affairs Fellowship in Global Journalism.

Bernie M. Farber

Bernie's career spans more than a quarter century focused on human rights, pluralism and inter-ethnic/faith/race relations. Recognized and called upon by the courts, media and law enforcement as an expert in human and civil rights he is one of the few in the field to be accepted by Canadian Courts as an expert in hate crime, white supremacy and anti-racism. He has also worked closely with Canadian Indigenous communities on historical redress. He is Chair of the Canadian Anti-Hate Network and sits as a board member of Human Rights Watch.

**If you have any concerns about hate-related crimes or other criminal activities
please contact York Regional Police 1-866-876-5423.**
