Course Verifications

On Tuesday March 20th, students received their course verification form in their homeroom classes. Students that do not have a homeroom class were able to pick up their form from the Main office. Please carefully review the courses that your child has selected for the 2018-2019 school year. You may want to re-visit the UHS course calendar at unionville.hs.yrdsb.ca when reviewing their choices.

If your son/daughter is satisfied with his/her choices, he/she may keep the form and no further action is required.

If your son/daughter would like to change his/her request, please follow the steps outlined on the reverse side of the verification form. Once complete, please sign the form and have your son/daughter return the form to the Guidance office no later than **Tuesday March 27, 2018**. It is very important that students consider their selections very carefully to ensure availability of courses. Once classes begin, in both semesters 1 and 2, course changes will be processed

On Wednesday April 11th, period 4 in the Library, UHS is hosting a post-secondary financial planning presentation provided by Seneca College. Topics covered will include bursaries, scholarships and OSAP.

Grade 12 students interested in attending this presentation are asked to sign up using the bit.ly link below (please ensure that they are logged into their school gapps account and not their personal Google account).

The deadline to sign up is Tuesday April 10th.

<http://bit.ly/2FOC5RN>

A permission form will be emailed to the student once he/she completes the on-line Google form. **A parent/guardian must sign it if they are not 18 years of age and then:**

Step 1: the student must show the form to their teacher if he/she is missing a period 4 class.

Step 2: Bring the form to the library as this will be his/her ticket into the presentation confirming his/her attendance.

For more information, students may visit the Guidance office.
