April 8th Early Dismissal

Dear families,

On Monday, **April 8, 2024**, a full solar eclipse will occur, which will block the sun's light in some areas.

In York Region, we will experience effects of the eclipse between roughly 2:00 p.m. and 4:30 p.m., which coincides with the scheduled dismissal times for our schools. We have heard concerns regarding the potential for students being outside and inadvertently looking at the sun, which may cause serious health problems, such as loss of eyesight. We have also heard concerns of traffic and students walking home during peak darkness.

Out of concern for student safety, on April 8, 2024, all students in elementary and secondary schools will be dismissed early. Unfortunately, in order to ensure transportation services (school bus and taxi) can accommodate all schools' early dismissal, there will be a slight adjustment in our dismissal time. On April 8, 2024, Unionville High School will dismiss students at 12:05 p.m. **Student after school activities will also be cancelled for that afternoon.**

April 8, 2024 Schedule

8:25 AM - 8:30 AM (home room)

8:30 AM - 9:45 AM (period 1)

9:45 AM - 9:50 AM (transition time)

9:50 AM - 11:05 AM (period 2)

11:05 AM - 11:10 AM (transition time)

11:10 AM - 12:05 PM (period 3)

12:05 pm - (student dismissal)

Please know that this decision was made with student safety at its center. If you have any questions, please contact us at unionville.hs@yrdsb.ca

Spring OSSLT

Attention to all students who will be writing the OSSLT this semester (this includes eligible students who did not participate or were not successful in the fall administration): our dates have been finalized and this semester's OSSLT will be taking place on the following dates: **April 3 and 4** during **periods 3 and 4**.

If you have any questions, please email Mr. Luong (raymond.luong@yrdsb.ca).

Promoting Success For Students Of First Nation, Métis And Inuit Ancestry

York Region District School Board provides an opportunity for students with **First Nation, Métis and Inuit** ancestry to self-identify. The process is voluntary and the information gathered will be kept confidential.

The self-identification process is the first step in providing:

- Culturally specific learning opportunities or activities;
- Additional support for academic achievement and well-being, including designated support staff;
- Communication between schools, First Nation, Métis and Inuit Education staff, Aboriginal students and their families;
- Connections to post-secondary institutions, community groups, service providers and other partners;
- More learning opportunities for all members of the school community to develop a greater understanding of Aboriginal perspectives, cultures and histories

PARENT TEACHER NIGHT

Parent Teacher Night

April 3, 2024 5:30 p.m. - 7:30 p.m.

Parent Teacher Night is from 5:30 p.m. - 7:30 p.m. on April 3, 2024. Families will have an opportunity to meet with their child(ren)'s teacher(s) in person, and learn more about their course(s). Parents/Guardians can use TeachAssist, an online platform, to schedule a meeting time with their children's teacher(s) on Parents' Night. All students in our school currently have a TeachAssist account to access information associated with their class assessments. The TeachAssist Parent Portal available at <https://ta.yrdsb.ca/parents>.

Once logged in, parents/guardians will have the option to set up a password. For **instructions** on how to book a parent-teacher interview through TeachAssist, please click [here](#).

Families who require translation assistance for the Parent Teacher Night interview are asked to connect with their teachers directly.

If there any challenges with meeting in-person on April 3, 2024 , please **contact your child's teacher directly** to make alternative arrangements to communicate.

Ministry of Education Guide to Ontario's Education System

The Ministry of Education has launched a Parent's Guide to Ontario's Education System.

This new resource will provide families with helpful information that allows them to have a stronger role and actively participate in their children's education. The guide covers a number of subjects such as knowing how their child is doing in school, learning about suspension and expulsion processes, attending a school council meeting or parent involvement committee meeting, and knowing about specialized supports to help all children succeed.

This initiative is part of the government's recent efforts to increase transparency and accountability in our school system.

The full guide can be found at [Ontario.ca/educationguide](https://ontario.ca/educationguide)

Information is available in 10 different languages – [English](#), [French](#), [Simplified Chinese](#), [Traditional Chinese](#), [Punjabi](#), [Tagalog](#), [Arabic](#), [Spanish](#), [Portuguese](#) and [Hindi](#).

Ontario Summer Company Grant Program For Youth Entrepreneurs

Dear Community Partners and School Teachers,

Thank you for supporting the MSBC and the innovation ecosystem. We would like to announce that our Ontario Summer Company Grant Program for Youth Entrepreneurs application is NOW OPEN!

The program offers students between 15 to 29 \$3000 as a grant to start their business in the Summer. The program also contains a 3 month training program. The application deadline is **May 17, 2024**.

Through the program you get:

- start-up money to kick-off a new summer business
- advice and mentorship from local business leaders to help get the business up and running

Learning how to run your own student business is one of the best summer jobs you can have. You get to be your own boss while learning what it takes to manage a business. Sales, marketing, bookkeeping, customer relationship management and networking are just a few of the highly useful skills you'll develop.

UHS School Council Chair: Invest In The Students' Future

Dear UHS Families,

Publicly funded schools benefit from our support, whether it is our time volunteering or directly through financial contributions. Our generosity has a direct impact on the type of high-quality educational resources and unique activities that Unionville High School can offer our students to support their development, interests, and talents. This year we hope to raise enough funds to upgrade our outdated computers that students learn and rely on. We ask you to take a moment to consider investing in our school, demonstrating the value of community involvement, and taking pride in supporting UHS for the benefit and enrichment of all our students. <https://yrdsb.schoolcashonline.com/>

School Immunization

We are sharing information with families about immunizations for students. If your child needs vaccines, such as those required by law to attend school in Ontario, York Region Public Health provides free student catch-up immunizations to all eligible students in JK to Grade 12 by appointment only. It's also important that you report your child's vaccination to York Region Public Health. Please read this important message from York Region Public Health on vaccinations.

Secondary School Opportunities

Our secondary schools offer courses and programs that let you explore your interests, build skills and gain experience in areas that interest you. You can now search from 16 different sectors to learn more about:

- career pathways in the fields that interest you
- courses and programs you can take in secondary school that let you gain sector-specific skills, knowledge and experience
- how you can earn certifications, post-secondary credits and job experience while in high school

Find out what **courses and programs** are available in the fields that interest you at your school.
