## Student Voice

Student voice has been working with homeroom representatives to discuss things that students would like to start, stop and continue in our school community. Going forward we will be working with students and staff to find ways to improve student activities and events, courses and academic life, and use of technology to further meet the needs of UHS students. Thank-you to everyone who helped with the student voice celebration which brought semester 1 and semester 2 reps together to celebrate the work they have done so far.

Student voice meetings will take place **8:35 am - 9:40 am. Attendance must be taken in homeroom.**

Below are the dates for student voice meetings; thank-you for your continued support!

## Wellness Initiative

We are starting another new Wellness initiative - Mindful Meditation! He will be beginning next week so feel free to drop in and bring a cushion if you like (otherwise mats will be supplied for you).

I'm very excited to share our Wellness Wednesday schedule for the Month of April! If you would like to book your class for any of these programs then please send me an email. Keep in mind that only teachers with a small class can book the Paws & Relax program (maximum is 5 students at a time for a 5 minute visit), and the Mindful Meditation program is only for 30 minutes part-way into the period.

Re: tennis lesson registration

Thank you for your submission. I am replying to your request to distribute materials to schools under the jurisdiction of the York Region District School Board. The material submitted has been reviewed and pre-approved by Corporate Communications. **Any participation will be at the discretion of the school Principal, in accordance with Board policy.**

Board Policy and Procedure [#182.0, Distribution of Materials: External Organizations](#) addresses the dissemination of information from non-profit external organizations, which is in alignment with the Board's planning processes and its Mission, Vision and Values to students, staff and the broader school community. The Board supports electronic, environmentally-responsible distribution of materials and significantly limits the printed materials from external organizations. For more information please review [School Distribution Requests](#) on the Board's website.

### Next Steps for Electronic or Print Distribution of your Pre-Approved Materials:

- The York Region District School Board complies with [Canada's Anti Spam Legislation \(CASL\)](#), which may limit or prohibit the electronic distribution of your material. Please contact and send your materials, along with a copy of **this pre-approval letter** to schools directly. The following is a link to [School Profiles](#)
- Your pre-approved material, **if necessary**, may be printed and distributed in limited quantities of 50 copies **maximum** per school, to be displayed or made available at the school's discretion.
- Please note that school staff will not hand out print materials to students directly.
- As many schools are certified [Ontario EcoSchools](#) and have paperless or waste-reduction goals, please **check with schools before producing or providing any print materials**.
- **Organizations are responsible for delivering their print materials to schools directly.** The following is a link to a directory of YRDSB schools: [Schools-at-a-Glance](#)
- Pre-approval only applies to the materials submitted with this request and for one-time distribution.

A copy of **this pre-approval letter** (either sent in the body of an e-mail or as a PDF attachment) **must accompany any and all electronic or print materials sent to YRDSB schools.**

*\* Please note that the Board does not endorse these materials. The York Region District School Board's name and logo should not be used on these or supporting materials. Any printing or shipping costs incurred with regard to these materials are not the Board's responsibility.*

I wish you success with your program.

Sincerely,
