#### Summer School Dual Credit

Grade 11 and 12 students who are currently in SHSM or need credits to graduate may be eligible to take a Dual Credit College course this summer. For more information see: [Summer School Dual Credit](#). If interested, please make an appointment with your Guidance counselor as soon as possible.

#### International and Indigenous Languages (IIL) Program-- Credit Courses

Students can earn credits while learning a language. International and Indigenous Languages offers over 15 languages for students in Grades 9 to 12. Level 3 language credit courses can even be counted towards college and university acceptance.

For the upcoming 2019/2020 school year, we are excited to announce that the Indigenous languages, Ojibwe and Cree, will be offered.

## United Voices Student Conference

YRDSB's Regional Student Equity Committee (RSEC) hosted its first "United Voices Regional Student Leadership Conference" on May 1, 2019. The event provided students who were not typically involved in leadership roles with an opportunity to share their varied perspectives and experiences to inform learning, assessment, and decision-making.

A big thanks to the following students for representing UHS: Myra Baiye, Lois Douampo, Harvey Hou, Penny Hu, Shanzay Kamran, Alvin Zhang and Harry Zhao. They did an outstanding job in openly and honestly sharing their interests, needs, and lived experiences as high school students.

## Run for Women

This past Sunday 19 UHS students participated in this year's Shopper's Drug Mart RUN FOR WOMEN!

This run supports the mental health unit at Markham Stouffville Hospital. A number of the girls participated in the RUN FOR IT PROGRAM which taught them about the physical and mental health benefits of running.

Congratulations to the members of the UHS WOLVES team on an incredible race and amazing accomplishment!

## TEDx Event

On Thursday May 2nd, UHS current and future SHSM students attended a TEDx Event: Fearless Pursuits, hosted by St. Mary's Catholic School in Oshawa. It was inspiring to hear speakers such as comic book artist, author, students, talent manager, environmentalist, speak passionately about their journeys and ideas. We hope that students were able to get inspired, as even the smallest seeds can bloom into transformative actions.
