Summer School Registration Forms

This is a reminder to all students who have registered for summer school that you must print off your registration form and hand it in to Guidance as soon as possible. Just choosing your course on My Pathway Planner will not confirm your spot. It must be approved by Guidance in order for your registration to be completed.

International and Indigenous Languages (ILL) Courses

These courses are now open for student to register in through My Pathway Planner. They are credited courses that begin in September and run for the full year. For more information you can visit the YRDSB website at: [International and Indigenous Languages Courses](#)

Students can also visit the Guidance department to pick up an information flyer.

PARENT BULLETIN

Guidance News

Each year, the Ministry of Education requires that all school boards complete an exit survey for grade 12 students as part of the Student Success Strategy. The survey questions provided by the Ministry are used to assess how well the *Creating Pathways to Success* policy and program is with helping students to develop the knowledge and skills they need for effective education and career/life planning.

During the week of May 13-17, Grade 12 students will be provided time during their period 3 class to complete the survey. Students who do not have a period 3 class can complete it during their lunch (using their own device or using a school computer), or at home. Students will be able to access the survey via *My Pathway Planner*.

Step-by-step instructions have been provided below. Any student with questions or requiring help can visit the Guidance office.

Students will be able to access the survey through 'My Pathway Planner' account by doing the following:

1. Go to the York Region District School Board Website (<http://www.yrdsb.ca/Pages/default.aspx>);
2. Click on the "My Pathway Planner" button;
3. Log into their account using their YRDSB credentials;
4. Click on the "Complete Survey" button in the blue banner on the homepage
5. Complete the survey questions in the Google Form that opens (students must be logged into their GAPPS account).

In addition to the Ministry Survey, UHS also conducts their own exit survey. Grade 12 students will use the following bit.ly link to access the survey (N.B. students must be logged into their GAPPS account).

Model United Nation Club

This year the UHS Model United Nations club was run by Emily Yang and Kelly Wu. They created a google classroom to support all the members. Members met weekly and learned proper protocol, how to research and prepare resolutions and position papers. They attended some conferences individually and 9 members attended SOMA (Southern Ontario Model United Nations Assembly) April 25th and 26th at the University of Toronto along with approximately 600 other students forming 13 committees. Emily Yang won Best Delegate for the UN Habitat committee representing Somalia. Congratulations to Emily and to all the students for their hard work all year.

Next year they will need a staff advisor and I just want to say these students are wonderful leaders and that they give me hope for the future.
