**UHS Teachers give back****Habitat for Humanity GTA**

On Saturday, April 16th, 19 teachers (and one guest) from Unionville High School adopted a day to help build homes for families in need. **Habitat for Humanity** (HFH) mission is "To mobilize volunteers and community partners in building affordable housing and promoting homeownership as a means to breaking the cycle of poverty."

The UHS teachers were from various departments and included a few former (retired) ones as well. The location of the build was on McLevin Ave. in Scarborough. Other than volunteering their skills and time on a Saturday, they also raised over \$2000.00 in fundraising for HFH including their own personal donations. It was nice to see white board markers replaced by hammers, drills, and other tools in the hands of our teachers. In typical fashion, the close camaraderie and wonderful team spirit made the day delightful as well as the actual fashion of wearing brightly coloured hard hats, neon coloured safety vests, and work gloves.

The HFH site supervisor stated that we were the best group of volunteers they had seen in a long time. He also complemented our team for building quickly, efficiently, and with such a high degree of quality so much that they were trying to create/find projects for us to work on as we completed projects early.

The teachers included:

Paul Poulsson  
 Rob Cook  
 Jim Kotsopoulos  
 Terry Wollenzien  
 Bernie Wollenzien  
 Lyn Ogilvy  
 Wesley Guldemon  
 David Hunt  
 Rob Ricci  
 Mike Johnston  
 Angelo Papa  
 Kevin McCaffrey  
 Maggie Ho  
 Donna McAdam  
 Carl Richard  
 Lorraine Richard  
 Dale Cramm  
 Randy Gibson  
 Rob Thomas  
 Brian Cho

Bravo to these UHS teachers for taking on such an endeavor.

This project combines the York Region District School Board's foci of Mathematics, Modern Learning and Mental Health in creating a public art piece that emphasizes the collaborative process through cross-curricular support and student driven initiatives.
