Literacy Program

This program is available to all students who are eligible to take the OSSLT test in spring 2017. (OSSLT administration date: Mar 30, 2017)

The Ontario Secondary School Literacy Test (OSSLT) is a requirement for students who wish to graduate with a secondary school diploma. As a school, we are taking many steps to assist our students in completing the test successfully. One way that we have chosen to assist some of our students is by offering an after school literacy program to reinforce reading and writing skills.

The after school literacy program consists of ten (10) sessions of one and a half (1.5) hours each to receive intensive practice with reading and writing skills and strategies. At the end of the sessions, each student will complete a checklist of strengths and needs.

There is no cost for students with Canadian citizenship or permanent resident status. For international students, there will be a cost of \$102.80.

If you would like your child to take the After School Literacy Program or if you have any questions, please contact Mr. Fung by email. (raymond.fung@yrdsb.ca)

Math Contests

Canadian Open Math Contest will be written Thursday November 3rd in room 350 during periods 1 and 2. Registration for the Canadian Intermediate and Canadian Senior Math contests is on November 3rd. Use School Cash online to pay and register for the contest. The contest date is November 23rd.

Special Education

Thank you to all of the parents and students for returning your signed IEPs. For those still outstanding please sign and return as soon as possible. The IEP is a working document that can be updated as needed. If there are any questions or concerns please do not hesitate to contact our office and your child's Special Education Resource Teacher. (SERT)
