Summer Co-Op Opportunity

Continuing Education in Collaboration with Curriculum & Instruction Services is offering several Pathway program opportunities this summer, including: Dual Credits, Youth Innovation by Design IDC Course, and in person Co-op (1 and 2 credit programs). Spaces are very limited in each program and will be decided on a first-come-first serve basis. Grade 12 students requiring 1 credit to graduate will be given priority in 1 and 2 Credit Co-op programs.

Registration for the 1 and 2 credit Co-op programs will open tomorrow on Wednesday, April 6, 2022 at 9am. Please see the [flyer](#) for program information and registration.

Please visit

<https://www2.yrdsb.ca/schools-programs/secondary-school/summer-learning-opportunities/summer-pathway-programs> for more details.

Course Verifications for 2022-2023

Course Verifications for the 2022-2023 school year will be sent to students GAPPS email accounts and parent/guardian emails on file by Monday, April 4.

We ask that you and your child carefully review the courses that were requested. You and your child may want to re-visit the UHS course calendar at <https://app.myblueprint.ca/public/courses/yrdsb/unionville1> to review course descriptions and pre-requisites.

If your child is satisfied with his/her course request, no further action will be required. We will presume you have verified and approved your child's course selections for the following school year.

If your child would like to make a change to his/her request, instructions will be provided in the course verification email. The deadline to submit any changes will be **9:00 am Monday, April 11.**

It is very important that your child consider their selections very carefully. **Elective course changes will not be completed after this final verification process. Please note that this is a course request and that courses are not guaranteed.**

NB: If you have registered for SVS (Secondary Virtual School) for the 2022-2023 school year, the UHS course verification will not apply to your student. Communication will be sent to you and your student directly from SVS.

This verification is only for students who will be attending Unionville High School for the 2022-2023 school year.

Community Involvement Hours

March Break has come and gone, but this is still a great time for students to work on completing Community Involvement Hours. Students are reminded that they must have their activity pre-approved prior to completing the activity. A special reminder to Grade 12 graduating students that the deadline to submit completed Community Involvement hours by June 1st. Students may join the 'UHS Volunteer Google Classroom' (enrolment key: **gsrz264**) or meet with a Guidance counsellor to learn about volunteer opportunities.

A reminder for the 2021-2022 school year, the required number of hours for community involvement activities will be reduced from 40 hours to a minimum of 20 hours for graduating students. This is consistent with changes made in the 2020-21 school year. All other students are required to complete the 40 required hours.

At the principal's discretion, the following activities will be deemed eligible for all secondary students for their community involvement activities in the 2021-22 school year:

- Activities that take place during the time allotted for the instructional program on a school day (e.g., walking a younger neighbour or sibling to and from school, helping younger siblings with their homework)
- Activities that include up to 10 hours of paid work, with the requirement to complete a reflection exercise indicating how their work contributed to service for others (e.g., grocery work during the pandemic). This will need to be completed by clicking on the following link: CI Reflection Form: <https://bit.ly/ciReflection>
- Activities that consist of duties normally performed in the home (e.g., students could help an elderly relative with errands, provide after-school care for a sibling)

Please note: Volunteer opportunities differ from field trips and are communicated through our Guidance Department's Google Classroom or Volunteering Bulletin Board. The YRDSB is not responsible for transportation or supervision when students make contact with community members to arrange volunteer opportunities.

A classroom teacher may not sign the community involvement hours form for opportunities taking place off-site. Teachers may sign forms for events taking place in the school under their supervision only (e.g. student secretary on parent-teacher interview night). While teachers can inform students of volunteer opportunities and direct them to visit the Guidance office, teachers should not call community members to arrange these volunteer opportunities. Opportunities provided in the community must be arranged by the student or parent/guardian and the outside venue.

COVID-19 Updates

As you may be aware, the [Government of Ontario](#) announced their plan to lift many of the COVID-19 health and safety measures in public spaces and schools. Effective Monday, March 21, 2022:

- Students, staff members and school visitors will no longer be required to wear masks in school. Individuals who feel more comfortable or who are advised to wear a mask can continue to wear a mask and will be supported in doing so.
- Staff and students will not be required to complete the screening confirmation form each day. Students, staff members and visitors should continue to review and adhere to the [COVID-19 School and Child-Care Screening Tool](#) (please click on Check for Symptoms Daily), prior to entering the school daily. The screening tool has been updated to reflect new isolation requirements.
- Students will no longer be required to remain in cohorts or to practice physical distancing.

In addition, effective March 14, requirements for staff members to complete vaccination attestations or mandatory testing has been removed.

Hand washing and cleaning protocols will remain in place. In addition, we will continue to follow our current ventilation practices.

Current measures remain in effect until March 21, 2022, including mask requirements for all students in Kindergarten to Grade 12, and the completion of the screening confirmation form.

We appreciate that students and families may have mixed reactions to this announcement. Our educators will continue to support student well-being as these changes are implemented, and work to ensure all of our students feel safe, welcome and supported. Please also be assured that we will continue to consult with public health to ensure we are taking all appropriate measures to protect the health and safety of our students, staff members and families.

Unionville High School continues to encourage all members of the UHS community to wear masks as they see fit, while respecting the choices of all staff, students and visitors who enter our building. We are also encouraging all members of the UHS community to observe proper hand hygiene - this means sanitizing and washing your hands frequently.

Benefits of In-Person Learning

Given the numerous benefits of in-person learning, we are planning for our students to attend school in person, while following all appropriate measures to protect the health and safety of students, staff and families.

Students who attend school in-person benefit from:

- developing social/interpersonal skills
- improving in-person communication skills
- building teamwork skills
- wide range of experiential learning opportunities that support different learning styles
- sharing and playing in person
- participating in social activities, extracurricular clubs, teams and athletics
- leadership opportunities provided through co-curricular activities
- student leadership and mentorship

Schools will continue to follow York Region Public Health COVID-19 Guidelines to ensure safety measures for in-person learning.

Note: The Ministry of Education has directed school boards to provide a remote learning option for students for 2022-23. For next year, we will have an Elementary Virtual School and Secondary Virtual School. Learn more about virtual school at yordsb.ca.
