Canadian Computing Contest Results 2022

The Canadian Computing Contest – CCC is a very challenging coding contest. We would like to congratulate all of our amazing UHS students who participated in the contest. We would like to give special mention to those UHS students, 5 senior (Grades 11 and 12) and 12 junior (Grades 9 and 10) for placing in the top 25% of all contestants and for receiving certificates of distinction from the University of Waterloo. Well done, students!

PARKING UPDATE

We are well aware that our parking lot during morning drop off and afternoon pick up times can be quite busy. We have had congestion, speeding and traffic related issues in the morning. Many parents have also voiced their concerns as they have received remote tickets for parking in the pick up and drop off zones

which are also Fire Zones as marked by the yellow striped lines and the “No Parking” painted on the concrete. We wanted to let you know that the YRDSB and the Markham ByLaw office are currently in discussion to address this contradictory and controversial signage. In order to support our community, effective June 1st, Markham By-law officers have been present during morning drop off and will continue to be present until June 30th to direct traffic and to ensure student and staff safety. Further updates will be provided in future bulletins; we thank you in advance for your attention to this matter and for sharing your concerns.

As a reminder, in the mornings, please do not park in staff spaces at the Warden entrance. At Town Centre Blvd, you are advised not to park in the areas with yellow paint that say “NO PARKING” as this is a no idle cars zone; this is also a Fire Route. This zone is intended only for “quick pick-up or drop-off.” Cars that are seen by the City as parked, stopped without a student exiting or entering, or left idling in this zone will be ticketed. Unfortunately, Unionville High School has no jurisdiction over this and we are unable to support families who have been ticketed other than to redirect them to raise this issue with the City of Markham. We recognize that this situation has caused upset amongst the UHS Community and we thank you for your patience. Please be reminded that parking passes are required for all cars in our school lots. Cars without parking passes in our school lots will be ticketed by the City of Markham. [Please click here for more information](#)

The Come Up Summer Program

Attention UHS Families,

The Come Up Summer Program is a unique **in-person** experience for self-identifying Black students (and their parents/guardians) in the York Region District School Board who will be entering grade 9 or 10 in September 2022. The program will begin Wednesday, July 6 and end Friday, July 29, 2022 (9:00am - 3:30pm). Students will have an opportunity to successfully earn a high school credit by participating in a fun and dynamic program. Some of the topics may include: positive identity formation and affirmation, career pathways, emotional intelligence, social media, digital literacy, entrepreneurship and legal rights. Each activity/workshop is designed to prepare and support Black students as they embark on a new journey.

A big thank you goes out to Mr. Ramgoolam for leading the charge on this amazing opportunity for our students! If parents/guardians have any questions, please reach out to any member of the UHS Administration Team.

Guidance News

Community Involvement Hours

Now is a great time for students to work on completing Community Involvement Hours. Students are reminded that they must have their activity pre-approved prior to completing the activity. A special reminder to Grade 12 graduating students that the deadline to submit completed Community Involvement hours by June 1st. Students may join the 'UHS Volunteer Google Classroom' (enrolment key: **gsrz264**) or meet with a Guidance counsellor to learn about volunteer opportunities.

A reminder for the 2021-2022 school year, the required number of hours for community involvement activities will be reduced from 40 hours to a minimum of 20 hours for graduating students. This is consistent with changes made in the 2020-21 school year. All other students are required to complete the 40 required hours.

At the principal's discretion, the following activities will be deemed eligible for all secondary students for their community involvement activities in the 2021-22 school year:

- Activities that take place during the time allotted for the instructional program on a school day (e.g., walking a younger neighbour or sibling to and from school, helping younger siblings with their homework)
- Activities that include up to 10 hours of paid work, with the requirement to complete a reflection exercise indicating how their work contributed to service for others (e.g., grocery work during the pandemic). This will need to be completed by clicking on the following link: CI Reflection Form: <https://bit.ly/ciReflection>
- Activities that consist of duties normally performed in the home (e.g., students could help an elderly relative with errands, provide after-school care for a sibling)

Please note: Volunteer opportunities differ from field trips and are communicated through our Guidance Department's Google Classroom or Volunteering Bulletin Board. The YRDSB is not responsible for transportation or supervision when students make contact with community members to arrange volunteer opportunities.

A classroom teacher may not sign the community involvement hours form for opportunities taking place off-site. Teachers may sign forms for events taking place in the school under their supervision only (e.g. student secretary on parent-teacher interview night). While teachers can inform students of volunteer opportunities and direct them to visit the Guidance office, teachers should not call community members to arrange these volunteer opportunities. Opportunities provided in the community must be arranged by the student or parent/guardian and the outside venue.

COVID-19 Reminders

As you may be aware, the [Government of Ontario](http://www.ontario.ca) announced their plan to lift many of the COVID-19 health and safety measures in public spaces and schools. Effective Monday, March 21, 2022:

- Students, staff members and school visitors will no longer be required to wear masks in school. Individuals who feel more comfortable or who are advised to wear a mask can continue to wear a mask and will be supported in doing so.
- Staff and students will not be required to complete the screening confirmation form each day. Students, staff members and visitors should continue to review and adhere to the [COVID-19 School and Child-Care Screening Tool](#) (please click on Check for Symptoms Daily), prior to entering the school daily. The screening tool has been updated to reflect new isolation requirements.
- Students will no longer be required to remain in cohorts or to practice physical distancing.

In addition, effective March 14, requirements for staff members to complete vaccination attestations or mandatory testing has been removed.

Hand washing and cleaning protocols will remain in place. In addition, we will continue to follow our current ventilation practices.

Current measures remain in effect until March 21, 2022, including mask requirements for all students in Kindergarten to Grade 12, and the completion of the screening confirmation form.

We appreciate that students and families may have mixed reactions to this announcement. Our educators will continue to support student well-being as these changes are implemented, and work to ensure all of our students feel safe, welcome and supported. Please also be assured that we will continue to consult with public health to ensure we are taking all appropriate measures to protect the health and safety of our students, staff members and families.

Unionville High School continues to encourage all members of the UHS community to wear masks as they see fit, while respecting the choices of all staff, students and visitors who enter our building. We are also encouraging all members of the UHS community to observe proper hand hygiene - this means sanitizing and washing your hands frequently.
