## Provincial Update - COVID Measures in Schools

As you may be aware, this morning, the [Government of Ontario](#) announced their plan to lift many of the COVID-19 health and safety measures in public spaces and schools. Effective Monday, March 21, 2022:

- Students, staff members and school visitors will no longer be required to wear masks in school. Individuals who feel more comfortable or who are advised to wear a mask can continue to wear a mask and will be supported in doing so.
- Staff and students will not be required to complete the screening confirmation form each day. Students, staff members and visitors should continue to review and adhere to the [COVID-19 School and Child-Care Screening Tool](#) (please click on Check for Symptoms Daily), prior to entering the school daily. The screening tool has been updated to reflect new isolation requirements.
- Students will no longer be required to remain in cohorts or to practice physical distancing.

In addition, effective March 14, requirements for staff members to complete vaccination attestations or mandatory testing has been removed.

Hand washing and cleaning protocols will remain in place. In addition, we will continue to follow our current ventilation practices.

Current measures remain in effect until March 21, 2022, including mask requirements for all students in Kindergarten to Grade 12, and the completion of the screening confirmation form.

We appreciate that students and families may have mixed reactions to this announcement. Our educators will continue to support student well-being as these changes are implemented, and work to ensure all of our students feel safe, welcome and supported. Please also be assured that we will continue to consult with public health to ensure we are taking all appropriate measures to protect the health and safety of our students, staff members and families.

Unionville High School continues to encourage all members of the UHS community to wear masks as they see fit, while respecting the choices of all staff, students and visitors who enter our building. We are also encouraging all members of the UHS community to observe proper hand hygiene - this means sanitizing and washing your hands frequently.

### Lunch Protocols

The following lunch protocols will remain in place until further notice:

- Grade 11/12 - Cafeteria/1st floor
- Grade 10 - 2nd floor
- Grade 9 - 3rd floor

**\*\*Please note that the library will no longer be available as an eating space.\*\***

**\*\*The servery remains closed at this time.\*\***

## Community Involvement Hours

March Break has come and gone, but this is still a great time for students to work on completing Community Involvement Hours. Students are reminded that they must have their activity pre-approved prior to completing the activity. A special reminder to Grade 12 graduating students that the deadline to submit completed Community Involvement hours by June 1<sup>st</sup>. Students may join the 'UHS Volunteer Google Classroom' (enrolment key: **gsrz264**) or meet with a Guidance counsellor to learn about volunteer opportunities.

A reminder for the 2021-2022 school year, the required number of hours for community involvement activities will be reduced from 40 hours to a minimum of 20 hours for graduating students. This is consistent with changes made in the 2020-21 school year. All other students are required to complete the 40 required hours.

At the principal's discretion, the following activities will be deemed eligible for all secondary students for their community involvement activities in the 2021-22 school year:

- Activities that take place during the time allotted for the instructional program on a school day (e.g., walking a younger neighbour or sibling to and from school, helping younger siblings with their homework)
- Activities that include up to 10 hours of paid work, with the requirement to complete a reflection exercise indicating how their work contributed to service for others (e.g., grocery work during the pandemic). This will need to be completed by clicking on the following link: CI Reflection Form: <https://bit.ly/ciReflection>
- Activities that consist of duties normally performed in the home (e.g., students could help an elderly relative with errands, provide after-school care for a sibling)

## Grad Book

Dear families,

Due to the numerous changes and challenges this school year, a yearbook will not be available this school year. However, we are publishing a Grad Book to mark this important milestone for the 2021-22 graduating class at UHS. The Grad Book will be available in digital format for graduates to download.

In order for your child's images (including student photo and grad photo), artwork, writing and etc. to be included in the Grad Book, their YRDSB's online [School Start-Up Forms](#) must be submitted. **In particular, you must authorize the "Use of Student Personal Information Consent" section on page 3 of the form.**

If your child's online [School Start-Up Forms](#) have not been submitted for this school year and you would like your child to be included in the Grad Book, please complete and submit the forms as soon as possible.

Thank you!

## Update to COVID Screening Tool

### [Updates to the COVID-19 Screening Tool](#)

On the recommendation of the Office of the Chief Medical Officer of Health, updates have been made to align with current guidance and to provide clarity on isolation requirements for confirmed and presumed positive cases, and their household members and close contacts.

For those completing the screening tool who are fully vaccinated and/or 11 years old or younger, the screening tool will ask for symptoms and test results in the last 5 days. Those completing who are 12 years old or older and not fully vaccinated or immunocompromised will complete the screening tool using a 10 day measuring period.

Schools have an **updated**, downloaded and printed copy of the screening tool accessible for visitors reference.
