YRDSB Student and Family Survey 2021-2022

Our Board values student and family input. We will be inviting students and families to participate in the surveys between June 1 - 30, 2022. Information from these surveys will help to ensure our schools provide safe, inclusive and respectful environments that support student achievement and well-being. Survey results will be used to identify areas that need to be addressed, monitor progress and plan strategies to support students and their families. Surveys will take approximately 20 minutes to complete. Schools will provide in-class time between June 1 and June 30 for students in Grades 7-12 to participate in the survey. The survey is anonymous. Information provided will be considered confidential and kept in strict accordance with all relevant legislation. Survey results will remain confidential and will be collated along with the responses of all students and all families in the form of a summary report (i.e., only aggregate / grouped data will be reported).

The Family Survey will be made available online in English, Arabic, Simplified Chinese, Traditional Chinese, Farsi, Gujarati, Hebrew, Korean, Punjabi, Russian, Tamil, Turkish, Urdu, and Vietnamese. To accommodate participants with varying exceptionalities, both the family and student surveys can be completed using voice recognition software such as Google Read & Write. The questions in the survey are compatible with screen readers. Participation is voluntary; students and families may choose not to participate in the surveys. Families can request to not receive the Family Survey, or for their child(ren) to not receive the Student Survey by contacting research.services@yrdsb.ca with their child(ren)'s first name, last name, student number, and school name. For accessing the survey in an alternate format or if you have any further questions or comments, please contact Research Services at research.services@yrdsb.ca. Stay tuned for more information in the coming weeks!

After School and Evening Mental Health Supports in Light of War in Ukraine and Global Conflicts 2022

The war in Ukraine is affecting YRDSB students, staff, families and communities. As a school board, we rely on and support international efforts for peace and reconciliation. We also remain committed to learning and working from anti-racist, anti-oppressive, anti-colonial and traumainformed frameworks and to ensuring that our schools and workplaces remain safe, welcoming and equitable places where students and staff feel safe, affirmed, respected and protected. Families and educators can support children and youth in understanding and coping with the impact of the war in Ukraine. Most children and youth are resilient and will cope well with the support and caring of their families, teachers, friends, and other caring adults.

In light of the current war in Ukraine and our ongoing commitment to the Student Well-Being and Mental Health goals outlined in the [Director's Action Plan \(DAP\)](#), the York Region District School Board School Psychology and Social Work staff have collaborated with [CRES](#) Partner, [COSTI Immigrant Services](#) to offer three supportive mental health gatherings for parents/caregivers, students grades 6-8, and students grades 9-12.

The series: *YRDSB in Collaboration with COSTI : Mental Health Event for Families and Youth in Light of the War in Ukraine : An evening to “Acknowledge – Bridge- and Connect” During Global Conflicts*

The events are open to all parents, caregivers, and families acknowledging that we all may have different experiences in relation to the war in Ukraine. For some it may be very personal, and for others with similar lived experiences, it may also be emotionally impactful. At the events, families will hear about common reactions to stress and trauma as well as potential ways to cope and support their mental health and their child using the ABCs (i.e., Acknowledge, Bridge, Connection) of Mental Health. Youth will hear about common reactions to stress and trauma as well as potential ways to cope and support their mental health using the ABCs of Mental Health. Each event will end with a brief panel discussion responding to pre-submitted participant questions.

After School and Evening Events:

- Parent/Caregiver Virtual Session: June, 1, 2022, 6:30-7:30 pm
- Students Grades 6-8 Virtual session: May 24, 2022, 4:00-5:00 pm
- Students Grades 9-12 Virtual session: May 30, 2022, 4:00-5:00 pm

City of Markham Ticketing

Please be aware that the school driveways and parking areas are very busy at Town Centre Blvd and Warden in the morning (8:00-8:30 am) and in the afternoon (2:00pm-2:35pm). In the morning, please do not park in staff spaces at the Warden entrance. At Town Centre Blvd, you are advised not to park in the areas with yellow paint that say “NO PARKING” as this is a no idle cars zone; this is also a Fire Route. This zone is intended only for “quick pick-up or drop-off.” Cars that are seen by the City as parked, stopped without a student exiting or entering, or left idling in this zone will be ticketed. Unfortunately, Unionville High School has no jurisdiction over this and we are unable to support families who have been

ticketed other than to redirect them to raise this issue with the City of Markham. However, we are currently engaging in dialogue with the City of Markham ByLaw department to determine how best we can resolve these issues. We recognize that this situation has caused upset amongst the UHS Community and we thank you for your patience. Please be reminded that parking passes are required for all cars in our school lots. Cars without parking passes in our school lots will be ticketed by the City of Markham. [Please click here for more information.](#)

Guidance News

Community Involvement Hours

Now is a great time for students to work on completing Community Involvement Hours. Students are reminded that they must have their activity pre-approved prior to completing the activity. A special reminder to Grade 12 graduating students that the deadline to submit completed Community Involvement hours by June 1st. Students may

join the 'UHS Volunteer Google Classroom' (enrolment key: **gsrz264**) or meet with a Guidance counsellor to learn about volunteer opportunities.

A reminder for the 2021-2022 school year, the required number of hours for community involvement activities will be reduced from 40 hours to a minimum of 20 hours for graduating students. This is consistent with changes made in the 2020-21 school year. All other students are required to complete the 40 required hours.

At the principal's discretion, the following activities will be deemed eligible for all secondary students for their community involvement activities in the 2021-22 school year:

- Activities that take place during the time allotted for the instructional program on a school day (e.g., walking a younger neighbour or sibling to and from school, helping younger siblings with their homework)
- Activities that include up to 10 hours of paid work, with the requirement to complete a reflection exercise indicating how their work contributed to service for others (e.g., grocery work during the pandemic). This will need to be completed by clicking on the following link: CI Reflection Form: <https://bit.ly/ciReflection>
- Activities that consist of duties normally performed in the home (e.g., students could help an elderly relative with errands, provide after-school care for a sibling)

Please note: Volunteer opportunities differ from field trips and are communicated through our Guidance Department's Google Classroom or Volunteering Bulletin Board. The YRDSB is not responsible for transportation or supervision when students make contact with community members to arrange volunteer opportunities.

A classroom teacher may not sign the community involvement hours form for opportunities taking place off-site. Teachers may sign forms for events taking place in the school under their supervision only (e.g. student secretary on parent-teacher interview night). While teachers can inform students of volunteer opportunities and direct them to visit the Guidance office, teachers should not call community members to arrange these volunteer opportunities. Opportunities provided in the community must be arranged by the student or parent/guardian and the outside venue.

COVID-19 Reminders

As you may be aware, the [Government of Ontario](#) announced their plan to lift many of the COVID-19 health and safety measures in public spaces and schools. Effective Monday, March 21, 2022:

- Students, staff members and school visitors will no longer be required to wear masks in school. Individuals who feel more comfortable or who are advised to wear a mask can continue to wear a mask and will be supported in doing so.
- Staff and students will not be required to complete the screening confirmation form each day. Students, staff members and visitors should continue to review and adhere to the [COVID-19 School and Child-Care Screening Tool](#) (please click on Check for Symptoms Daily), prior to entering the school daily. The screening tool has been updated to reflect new isolation requirements.
- Students will no longer be required to remain in cohorts or to practice physical distancing.

In addition, effective March 14, requirements for staff members to complete vaccination attestations or mandatory testing has been removed.

Hand washing and cleaning protocols will remain in place. In addition, we will continue to follow our current ventilation practices.

Current measures remain in effect until March 21, 2022, including mask requirements for all students in Kindergarten to Grade 12, and the completion of the screening confirmation form.

We appreciate that students and families may have mixed reactions to this announcement. Our educators will continue to support student well-being as these changes are implemented, and work to ensure all of our students feel safe, welcome and supported. Please also be assured that we will continue to consult with public health to ensure we are taking all appropriate measures to protect the health and safety of our students, staff members and families.

Unionville High School continues to encourage all members of the UHS community to wear masks as they see fit, while respecting the choices of all staff, students and visitors who enter our building. We are also encouraging all members of the UHS community to observe proper hand hygiene - this means sanitizing and washing your hands frequently.
