We would like to offer all of our students, staff and families a hearty welcome back for an exciting year at UHS!!! The 2022-2023 school year is officially under way and we can honestly say that this year will be like no other that we have had in the past. School start-up at UHS as we know it has changed: we welcomed our Grade 9s on Wednesday, and our community class students as well as our Grades 10s, 11s and 12s Thursday. With many questions on everyone's minds – and, for the moment, not as many answers as we would like, but we are working towards solutions! – we want to reassure the UHS community that we are here and very excited to see staff and students in our classrooms once again. And thank you to our Parent/Guardian community for adhering to the parking lot rules and regulations! We are very impressed with how our parking lot has been operating this week! As is our tradition, we would like to open the year by reminding everyone to put their best foot forward as we reacclimatize to our learning environment and re-establish UHS's reputation as one of the top schools in the province remains where it belongs...at the top of the list! We are looking forward to an incredible to creating some lifelong memories, Wolves...welcome to the 2022-2023 school year!

Use of Technology

We are encouraging all students to bring their own laptop or chromebook to school on a daily basis to assist in their learning. If you are bringing a personal laptop or chromebook, please ensure that it is clearly labelled for ease of identification. All students who were issued a Board device as a result of previous remote learning should now bring this device to school for continued daily use. If your child does not already have a personal or Board laptop or chromebook, please complete the

Technology Request Form 2022-2023.
