POST SECONDARY PATHWAYS

Post Secondary Pathways Workshop

Post Secondary Pathways is a workshop for the parent of students with LDs who are looking to transition to post secondary education and need more information, resources or support.

Helping you find your path in post-secondary transitions!

The workshop covers topics including:

- Understanding Learning Disabilities (LD) and Attention Deficit Disorders (ADD/ADHD)**
- What students need before leaving highschool (checklist)**
- University vs. College vs. Internships**
- Self advocacy**
- Where to find helpful resources**
