A Note from Student Services (Special Education) to Students & Families

We look forward to welcoming back all of our students this fall!

Students who are enrolled in Learning Strategies courses (GLE) your child's teacher for that course is their Special Education Resource Teacher (SERT) for this school year.

If your child is not taking Learning Strategies, their SERT will be in contact shortly. Students are always welcome to drop by the Resource Room (216) or our office (218) to check in and receive support.

You can expect your child's Individual Education Plan (IEP) for this year to be sent home mid October, in the meantime teachers will follow last year's IEP. A IEP consultation form should be coming home shortly as your contributions are important to the creation of the IEP.

If your child received a new diagnosis or completed an assessment over the summer please reach out to [Melissa Caufield](#) or [Beckey Serwaa](#) so we may create or add to your child's IEP.

Community Class families should be hearing from their child's teachers regarding bussing and class information. Your child's teacher is also their SERT for this school year. Parents are reminded to refer to the Late Bus Report on the Student Transportation Services website at www.schoolbuscity.com prior to leaving for the bus stop in the mornings and afternoons and understand the need to make alternative arrangements for their child/children if the school bus is late or canceled.

Online Start-Up Forms

Message to Families

Dear parents/guardians,
Each year, we ask all parents/guardians to complete important forms. These forms are available online. **Please complete and submit these online School Start-Up Forms** through your child’s YRDSB Google account.

Please note:

- You can access your child's YRDSB Google account via a web browser. For best results, use a **computer** rather than a mobile phone.
- The username is **your child's YRDSB Student Number**. Your child will receive their login information from the school at the start of the year. If you or your child do not know the password to log in to their Google account, please contact your child's teacher or the school office.
- Frequently asked questions and additional information on **how to complete the forms** are available on the Board website under **Family Resources** (click on the “Need Help” link for Family Start-Up Forms).

It is important that these forms are completed as soon as possible at the start of the school year. There are both mandatory and optional forms. The forms are to be completed for all students. Your child's school will access the information.

Please complete a separate form for each child attending our schools. Secondary school students will also be asked to review important school and Board policies and to indicate that they have reviewed this information on forms sent to their student GAPPS account.

If you prefer to complete the forms on paper or have questions about the information in the forms, please contact your school office.

School Year Information

At the start of the year, schools share with families a package of information about the school. Please ensure you review this important information. Families are also encouraged to review the online **Guide to the School Year**.

Message to Secondary Students (Forms email)

Each year, we ask secondary school students to review important school and Board policies and to indicate that they have reviewed this information. Students, please **complete this form** online. If you have any questions about the information in the form, please speak with your teacher, principal or vice-principal.

It is important that all students complete and submit these forms as soon as possible at the start of the school year.

Grade 9 Camp Day

A reminder that Grade 9 Camp Day is **Wednesday, September 25th**. The event will run rain or shine and students should dress accordingly for the weather, as activities will be outdoors. Students should also bring a water bottle. Grade 9 classes will not be held on this day.

Parking Lot Safety

Please remind your children to be careful and vigilant as they make their way through the parking lot. The parking lots are very busy, especially before school begins.

Those driving to make drop offs or to park are also reminded to drive slowly, following signage and expected routes of traffic. The parking lots are monitored by video surveillance.

Please be mindful of our students who are travelling by various means through the lots. We appreciate your patience and care.

Attendance

Strive for Perfect Attendance: Try to book appointments for after school or during lunch.

Student Absences: Parents/Guardians are **to call or email** the attendance office **before 8:25am** at (905) 479-2787 ext. 431 or unionville.hs@yrdsb.ca

Daytime Appointments: Send a note or call the office – students must **be signed out through the main office**

Extended Absences: If the student is taking three and more days of absence, the Student must complete an **Extended Absence Form**, signed by parents and your child's teachers. The form is to be returned to the attendance office prior to the absence. Please avoid scheduling vacations during school.

UHS,
my child will
be absent for
period 1
today.
Thank you!

Tips for UHS Daily Lives

1. **Locker usage:** please always lock your locker and only use the lock school provided. No personal lock. No sharing the combination to others. No switching the lockers. No overnight food and drinks.
2. **Survival items:** please bring your own water bottles, cutlery (spoon, fork or chopsticks), lunch and snacks. School do have water fountains, but the students need to bring their own water bottles.
3. **Personal possessions:** please don't leave things unattended and bring all your belongings with you when you switch classes, especially the electronic devices.

Technology Requests

We are encouraging all students to bring their own laptop or chromebook to school on a daily basis to assist in their learning. If you are bringing a personal laptop or chromebook, please ensure that it is clearly labelled for ease of identification. If your child does not already have a personal or Board laptop or chromebook, please complete the [Technology Request Form 2024-2025](#). The link will be posted on the parent bulletin top left corner for the whole school year.

Ministry Survey: Launch of Life Skills Consultation

On May 30, 2024, the Ministry of Education announced that it would be launching consultations in fall 2024 with students, parents, job creators, educators and other stakeholders on the practical life skills students need to build a strong foundation for future success through modernized home economics education. To learn more visit [Province Introduces New High School Graduation Requirements for a Stronger Ontario Diploma](#).

The Ministry has asked school boards to assist in the promotion and collection of feedback on the practical life skills that parents, students and educators think could be included or strengthened.

The anonymous [Ministry Survey: Launch of Life Skills Consultation](#), designed by the Ministry, will take approximately 10 minutes to complete and will remain open until September 24, 2024. Administrators can share this link in their communication with families.

Online Payments (School Cash Online)

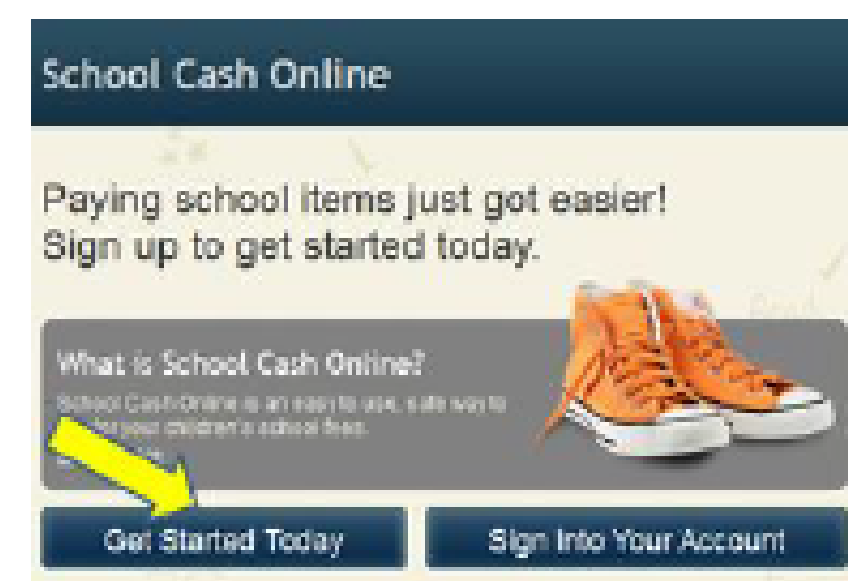

All YRDSB schools are now using School Cash Online as an online payment system. School Cash Online is an easy, safe and convenient way for families to pay online for extracurricular items or events, including yearbooks and field trips. It helps to reduce paper and the amount of cash/cheques handled by parents and students. Families may make payments using School Cash Online, or by cash or cheque.

How do I access the tool?

You can register for **School Cash Online** at any time by visiting the website. Once you are registered, you will be notified of any new items available for your child.
