Timetables and Course Change Requests

Students are expected to follow their assigned timetable and attend all classes as scheduled. Students can request a timetable change using the on-line course change request form. Students can access this form by logging into their GAPPS account and using the following link: <u>http://bit.ly/uhschangeform</u>

Once students submit the form, a PDF copy will be sent to their email. Please have the student print the form, sign it and have the parent/guardian sign it. Once the student is called to Guidance, they must present this form.

This on-line form will be open until Monday September 11, 4pm. Please note students can only submit ONE form.

No appointments regarding timetables can be made at this time. Timetable change requests will NOT be accepted through email or by phone. If your student is having difficulty accessing the form, please ask them to come to the Guidance office and a counsellor will be happy to assist them.

Please note that students with incomplete timetables will be addressed first. Requests for changes will be dealt with after all students have received a full timetable. Semester two timetable changes will not be addressed at this time. Announcements will be made in late October regarding this process.

Thank you for your patience during this busy time.
