Reminder About Locker Use

Dear Students,

I hope this message finds you well! This is a gentle reminder regarding the use of lockers. We kindly ask that you please refrain from replacing the school-issued locks on your assigned lockers with personal locks. The administration will be checking the lockers, and any personal locks found will be removed by Friday, February 14th. We greatly appreciate your understanding and cooperation in helping to ensure that all lockers remain properly secured with the school locks.

Should you have any questions or concerns, please speak with a main office staff member. Thank you so much for your attention to this!

Online Safety

As we begin a new semester, it is a good time to review some online safety tips as a family. Please see the link for resources on “Staying Safe from Cyber Attacks”, “Social Media Safety”, “Building Healthy Screen Time Habits”, “How to Spot Cyber Scams”, “Recognizing Misinformation”, “The Power of Privacy”, and other topics.

Course Selection

Course selection submissions **begin February 13 at 9am** and **close on February 21 at 4pm**. This is **NOT first come, first served!** Once submitted, course selections are locked and changes cannot be made. Parents/guardians are required to approve student course selections. Please look for an email from 'My Blueprint' and click on the 'approve' button.

Students will receive information about course selection through grade assemblies taking place on Monday, February 10 and Tuesday, February 11.

Students and families can access the presentation google slides after the assemblies.

Current Grade 9: <http://www.yrdsb.ca/schools/unionville.hs/guidance/Pages/Grade-9-Courses.aspx>

Current Grade 10: <http://www.yrdsb.ca/schools/unionville.hs/guidance/Pages/Grade-10-Courses.aspx>

Current Grade 11: <http://www.yrdsb.ca/schools/unionville.hs/guidance/Pages/Grade-11-Courses.aspx>

Current Grade 12: <http://www.yrdsb.ca/schools/unionville.hs/guidance/Pages/Grade-12-Courses.aspx>

When selecting courses, students should review their Student Status Sheet (SSS). This will help them complete their course selection and ensure they are not missing compulsory requirements to graduate. Students will receive a copy of their SSS from their homeroom teacher on Monday, February 10. Students without a homeroom can pick up their SSS from the Guidance office.

We encourage students to carefully consider their course choices and to research program requirements prior to selecting their courses. Students can access Ontario university program information through <https://www.ouinfo.ca/Ontario> and college program information through ontariocolleges.ca. Students are also encouraged to connect with each department if they have any questions or would like to learn more about the courses offered. https://docs.google.com/spreadsheets/d/1rWvpV_9bTa8sD2s8lyPOb4PZy5ehanljfh-6c5GccqY/edit?gid=0#gid=0

To support all students with course selection, the Guidance office will be open to walk-ins only from February 10th to February 21st. In addition, the Guidance pop-up will be stationed in the cafeteria to address student questions or for troubleshooting tips during period 3 and 4.

In early spring (after March Break), students, parents and guardians will have an opportunity to request changes through the course verification process. Please note that that elective course changes will NOT be completed after the verification process is completed.

Please note: graduating students are required to submit the 'NOT RETURNING' form and complete the Exit Survey in My Pathway Planner.

Drama Performance

We are excited to announce the Drama AU Grade 12 Class is performing a collectively created play called "Fragments." Here is an artistic statement about the performane from the class: The end of a school year is usually filled with excitement and anticipation. For seniors, however, our experience is tainted by how little we know about postsecondary, constantly reminding us of the little time we have left. Each scene in "Fragments" is reflective of the moments in time spent growing and changing. The moments spent in regret as well as loving. The complexity of life after death. Most of all, the delicate threads of our very existence that join together to form a tapestry. Parents are invited to attend the performance on February 13 at 7:00 p.m. Tickets can be purchased on School Cash Online. AU Drama Grade 12 Show "Fragments" - PARENTS - Feb 13 (7:00pm)

ESSAY

The Department of English at the University of Waterloo invites grade 11 students in Ontario who are Black, Indigenous, or students of colour to submit an essay of between 500 to 1000 words to the 2025 Writing in Colour: English Grade 11 Essay Colloquium Award. The topic for this year is **self-discovery**.

Students with the top selected essays will be invited to take part in a colloquium at the University of Waterloo consisting of a seminar, workshop, and tour of the school. At the colloquium, one essay will be selected to win a \$1000 prize. The author of the winning essay will also be offered an opportunity to meet with some members of the university community who could be helpful to their future ambitions.

The deadline to submit essays is **March 3, 2025**.

Online Payments (School Cash Online)

All YRDSB schools are now using School Cash Online as an online payment system. School Cash Online is an easy, safe and convenient way for families to pay online for extracurricular items or events, including yearbooks and field trips. It helps to reduce paper and the amount of cash/cheques handled by parents and students. Families may make payments using School Cash Online, or by cash or cheque.

How do I access the tool?
You can register for **School Cash Online** at any time by visiting the website. Once you are registered, you will be notified of any new items available for your child.

How do I register? Please click [here](#) for instructions.

Severe Weather Policy and Procedures

Winter is here! The York Region District School Board is committed to ensuring the safety and well-being of all students, staff, families and community members on days that are deemed to be **severe weather**. Please check the link for information on snow days at YRDSB.

Safety First - Message from UHS Administration Team

IMPORTANT SAFETY MESSAGE FOR PARENTS: ENSURE SAFE CROSSING FOR YOUR CHILDREN!

- Dear Parents and Guardians,
- The safety of our Unionville HS students is our top priority, especially when it comes to crossing roads. As we know, crossing busy streets such as Highway 7 and Warden, poses potential risks. Here are some essential reminders to ensure our students cross the road safely:
- 1. Understand and adhere to school zone rules. These areas often have reduced speed limits and additional safety measures to protect pedestrians.
 - 2. Ensure your child understands the basic rules of road safety - looking both ways before crossing, waiting for the signal, and only crossing at designated crosswalks.
 - 3. Emphasize the importance of using designated crosswalks. Explain that these areas are specifically designed for safe pedestrian crossing, reducing the risk of accidents.
 - 4. Discourage the use of electronic devices while crossing the road. Remind them that paying attention to their surroundings is crucial for their safety.

Let's work together to create a community where our UHS students can navigate the roads confidently and safely. By reinforcing these simple yet crucial guidelines, we can contribute to a secure environment for all.
Thank you for your cooperation and commitment to the safety of our students at UHS!

BUILDING HEALTHY KIDS

This winter reboot your family's routine!

A new year is here, and it's a great time to think about your family's routines!

As you start to think about your family's goals for 2025 be realistic. Make sure to incorporate things you already enjoy, build upon on what's already working well, and be patient with yourself and your kids.

Help your family to continue building healthy habits for 2025 through daily movement, nutritious meals, and mental health promotion strategies you can use with your children all year round! During the winter months, try foods to keep you warm including soups, stews, casseroles, curries, and chili. Enjoy some family meals together and cooking with your children – it's a great way to connect, spend time together, and learn new skills.

If you are thinking about getting more active, consider getting outdoors to play! When children and youth are outside, they move more, get curious, and find joy. Interacting with nature, even when it is cold outside, has many benefits. It helps restore our ability to concentrate and pay attention. It improves mood, focus and our stress response. Remember to dress for the weather, it's the first step to enjoying being outside and the best way to do this is to layer clothing you can remove easily when it is warmer or put back on when it becomes colder. Make sure gaps such as wrists, ankles, neck, back and waist are covered and even though it is winter - don't forget sunscreen and sunglasses!

If you find things are tough at the start of the new year for you or your family, you can try breathing, visualization, muscle relaxation, journaling, listening to music, practising gratitude to help you cope. Try a variety of activities to see what works best. As a parent or caregiver, it is essential to take care of yourself, so you can care and support others. Your self care will help improve your energy, focus, ability to cope with challenges and you will be a model to your children.

For more tips on how you can reboot your family's routine this winter routine visit york.ca/HealthyKids.

Canadian Computing Contest - Wednesday February 19, 2025, 12:00 pm-3 pm

Dear Students, Parents and Guardians:

The Canadian Computing Contest (CCC), administered by the University of Waterloo is a programming challenge for high school students with an interest in programming. It is an opportunity for students to challenge their skills to present coding solutions to five progressively challenging programming questions. Please see: Canadian Computing Competition (<https://cemc.uwaterloo.ca/contests/computing.html>) for more information.

The Computer Club of UHS, has been allocating time on a weekly basis to coach and prepare students for this Contest. Join the Computer Club Google Classroom for more updates! Code: [slwprdp](#).

We encourage students who have taken any computer science course such as: ICD20, ICS3U or ICS4U, to consider doing the contest. Participating in the CCC is a great experience regardless of your level and counts towards one of the contest requirements for STEM as well.
