Guidance @ UHS

Y2 LEGACY is designed with a long-term vision in mind. Ideally, students begin their LEGACY journey in the summer before Grade 9 and return each year, completing a new course annually. This pathway culminates in Grades 11 or 12 with:

- **The opportunity to earn grade 12 Business Leadership university/college course and a Schulich School of Business Certificate**
- **The option to take a summer co-op placement with a Black-led community organization, and**
- **The possibility of being invited to participate in a York University course in the Fall, expanding post-secondary readiness and access.**

Why Choose Y2 LEGACY?

- **Gain skills for a future driven by innovation, leadership, and adaptability**
- **Learn in an affirming, identity-centred environment that celebrates Black excellence**
- **Build a multi-year learning pathway that supports academic and career achievement**
- **Earn secondary credits while exploring post-secondary options**
- **Access mentorship, Black community partnerships, and university-level experiences**
- **Become eligible for a Schulich Certificate and Fall York University course**

Program Eligibility

- **TAS2O and ENG2D are open to students of all social identities and offer a chance to explore Afrocentric ways of knowing while building understanding of Black brilliance, histories, and narratives.**
- **DCO3C and BOH4M are exclusive to Black-identifying students, fostering a more specialized and identity-affirming experience.**

SPECIAL EDUCATION @UHS

edSPECIAL EDUCATION Students, Parents and Guardians: Thinking About, Applying To and Planning On Attending Colleges and University

edSPECIAL EDUCATION Students, Parents and Guardians:

Thinking about, Applying to and Planning on Attending Colleges and University

Assistance for Special Education extends beyond High School in both College and University. Access to Special Education services in College and University is **very different than high school**, after accepting a program students must **self advocate** and **register themselves** with the appropriate offices **AS EARLY AS POSSIBLE**.

Once your child has received their acceptance and indicated they will attend they should be reaching out to the College or University right away! **DO NOT leave it until the fall** as doing so could leave them without accommodations in their first semester!

Colleges and Universities **require students to provide copies** of relevant documents (IEP, psycho-educational assessments, medical documentation, etc.). In some cases additional documents or testing may be requested.

The **language** used in Post Secondary institutions also differs greatly from high school, there are no IEPs (Individual Education Plans) and instead students are provided **Letters of Accommodation** that they must share with their Instructors and Professors. The accommodations provided at the College and University level may be significantly different than those received in high school.

There are **programs offered the summer before students start** at some institutions to help students transition to post secondary and gain an understanding of how Special Education services will work for them.

To learn more about how to access services at the Colleges and Universities your child is interested in or attending please visit: <http://www.transitionresourceguide.ca>

FINAL EXAMS

Please see the attached schedule of formal written exams. Please note that formal written exams begin at 9:00 a.m.

During Exam Week from Wednesday, June 18 to Tuesday, June 24, students are to be at school only for their scheduled exams or “by appointment” exams/culminating activities. Once students complete their exam or culminating activity each day, they must leave the school premises.

REMINDER: NO STUDENT PARKING IN FLATO MARKHAM THEATRE LOT

Dear Students and Parents/Guardians,

As we approach the end of the school year, we’d like to remind everyone that students are not permitted to park in the Flato Markham Theatre parking lot during the school day.

We have recently observed students regularly parking in the spots closest to the theatre entrance. These spaces are reserved for theatre staff and visitors, and we kindly ask for your cooperation in respecting this policy.

Students who have been issued a valid parking pass are the only ones permitted to park in the UHS student parking lot. All registered student drivers are reminded to park only in their assigned spaces within the designated student area.

Thank you for your attention to this matter and for helping us maintain a respectful and safe environment for all.

WELLNESS

@UHS

Dear Families

The Ontario Ministry of Education released [Policy/Program Memorandum 128](#) in the fall of 2024, which included a directive to school boards to set out enforcement mechanisms to address the possession, use and provision of tobacco, electronic cigarettes, nicotine products, recreational cannabis, alcohol and illegal drugs. In support of a comprehensive approach, we are pleased to announce that in the coming months, vape-detecting devices will be installed at all YRDSB secondary schools.

Our schools continue to provide education and support regarding the harmful impact of these products. Please see resources listed below.

FROM THE LIBRARY LEARNING COMMONS

All library books are now due.

Thank you to all the students who have returned their materials.

If students are looking for missing Library books, remember that our Library books have a white spine label and a bar code.

It is never too late to return books to the Library. There are no fines for overdue books.

The Library Learning Commons team is also inviting all students to complete a survey about the Library. If students have not already completed the survey, they may access it here: rb.gy/8fmyv9

Thank you for your support.

All YRDSB schools are now using School Cash Online as an online payment system. School Cash Online is an easy, safe and convenient way for families to pay online for extracurricular items or events, including yearbooks and field trips. It helps to reduce paper and the amount of cash/cheques handled by parents and students. Families may make payments using School Cash Online, or by cash or cheque.

How do I access the tool?

You can register for School Cash Online at any time by visiting the website. Once you are registered, you will be notified of any new items available for your child. How do I register? Please click here for instructions.
