Good evening. We were wondering when summer school registration will begin and what courses will be offered and for what grades? Also interested to know the dates of summer programming.	Summer School registration typically begins in the spring. We are not aware at this time what courses will be offered. YRDSB summer school is the entire month of July. Information will be made available sometime in April.
Ms. Minos, to fulfill SHSM, will summer co-op courses be equivalent to 2 credits?	Typically in the past there have been both 1 credit and 2 credit co-op offered but I am not sure what will be offered this summer. Please monitor the parent/guardian weekly bulletins for updates and the YRDSB website.
Please post the YouTube link to the 34 credit threshold.	https://youtu.be/U9L1oNpA02o

<p>My kids currently volunteer at a charitable organization virtually. I do not think that they got pre-approval. Is the pre-approval mandatory?</p>	<p>Pre-approval is required to ensure that the activity is eligible and for liability purposes. Please have your student contact their alpha counsellor to review this activity.</p>
<p>Do we need to select courses again for 2nd semester</p>	<p>No, these courses have already been selected and scheduled. The purpose of the course selection presentation was for next year's courses.</p>
