Semester 2 Information Assembly—Grade 12

Safe, Caring and Supportive Schools Policy

- *It is the policy of the YRDSB to promote caring and safe school and work environments in order to optimize student learning.*
- *The YRDSB Safe Schools Policy applies to misconduct while a student is engaged in any activity that may have an impact on the school community.*

We work closely with York Regional Police and have officers assigned to our school. You will often see them in the building.

Safe, Caring and Supportive Schools Policy

- This policy is included in 'Guide to the 2016-2017 School Year' which was distributed at the beginning of the school year. New students should pick up a copy in the main office.
- Make sure that you are aware of the consequences that apply for inappropriate behaviour.

Behaviours we encourage:

- Identifying trespassers
- Recycling/disposal of trash from lunches
- Avoid loitering in the school outside of school hours
- Respect of self, others and community
- Inclusion of all
- If you do not have anything nice to say, do not say, send, or post. THINK first.

Valuables

- The school is **not** responsible for the loss of any technology or other valuables. Students should leave items at home and limit the amount of money brought to school.
- Please return found items to the main office.

Growth Mindset

What Kind of Mindset Do You Have?

I can learn anything I want to.
When I'm frustrated, I persevere.
I want to challenge myself.
When I fail, I learn.
Tell me I try hard.
If you succeed, I'm inspired.
My effort and attitude determine everything.

I'm either good at it, or I'm not.
When I'm frustrated, I give up.
I don't like to be challenged.
When I fail, I'm no good.
Tell me I'm smart.
If you succeed, I feel threatened.
My abilities determine everything.
