School Logo - Viola Desmond Diamonds!

We are inviting all students (face to face and EVS) to submit an idea for our school logo to go along with our school name.

Criteria include:

- Reflects the **values** of our school and connects to our name (**Diamonds**)
- Graphic is **not too complex** (for scalability)
- Use only our school colours: **grey, blue and green**

Ideas may be scanned and emailed **or** given to your child's teacher(s).

Please submit by Friday, January 8.

Mattering and Belonging

Over the last few weeks, we have been speaking with our students about what it means to matter and belong. We are now ready to complete a survey with our students to find out how they feel as a member of our school community.

This week, our Face to Face students will be asked to respond to age appropriate questions related to **school** such as; Do you feel happy at school? Do you have good friends at school? Do you feel the adults in our school care about you? Do you feel your identity is represented and respected at our school?

Once we have gathered this information, we will use this information to put strategies in place to ensure **all** our students feel that they matter and belong.
