Active School Travel Pilot Program

Thanks to everyone who is making an effort to participate in our Active School Travel program. Students are encouraged to take the school bus, walk, bike, roll or ride to school so that we can start the day in an active way. One of the messages during the assembly was, "Move more, move often!"

Earlier this week, the Active School Travel team visited VDPS and we had a school assembly. Students learned about bike safety, pedestrian safety, how to dress to enjoy being outside in colder weather and more!

Grade 8 Snack Shop

Our grade 8 students are running a snack shop every Friday in December. All items are \$2.00 in support of the grade 8 grads.

School Council – Movie Night

Worth Repeating:

School Start-Up Forms

Please complete the School Start-Up forms as soon as possible. We require these forms for many aspects of school programming. They can be found here: <https://startupforms.yrdsb.ca/>

Safety Before and After School

Our school follows a soft entry model. Doors are open from 8:55–9:10 am and staff supervise students indoors. There is no staff supervising outside on the school yard. The expectation is for students to enter the building as they arrive.

- Please do not leave your children unsupervised before or after school. This includes dropping them off at the kiss and ride loop to wait for the bell to ring.
- Please do not allow your children to ride scooters or bicycles on school grounds during arrival or dismissal
- Please do not play soccer on the playground during arrival or dismissal

We have many parents, grandparents and children on our property during arrival and dismissal, and we want to keep everyone safe.
