

Dear VDPS Families,

We are missing seeing our students and families and hope we will be back together in the near future! In the next few weeks, our staff will be engaging in class placement discussions. If you would like to provide input about your child's placement for next year, please complete this [SURVEY](#) by Thursday, May 14.

Please complete a separate survey for each child.

Please note:

- we DO NOT accept requests for specific teachers
- final decisions regarding class placement remain the responsibility of the Principal and the school staff
- Ministry mandates on class size may impact class placements into September, as a result, we are unable to share class placement information with families until the first day of school.

Wishing you all the best.
