

Dear School Council Members,

Hope this email finds you all well!

Each year our school relies upon holding fundraisers to help pay for the many excellent educational opportunities we offer to the student body. This year, our goal is to raise \$35,000.

We would love for you to join us at our school council meeting on **Monday, December 2nd at 7pm in the library** to further share information of our fundraising mission, as well as to potentially enlist your help!

Please feel free to invite fellow parents who would be interested in joining our wonderful little community.

Minutes from our November meeting are attached.

Stay warm and enjoy your weekend!

Rachel, Debbie & Sarah.
