### **Metro Food Grant (Application Due December 31, 2018)**

The Green Apple School Program, launched in 2012, aims to encourage young Ontarians to develop healthy eating habits by participating in a project proposed by their school that will have a positive impact on their home, school or community. For the seventh year in a row, METRO, along with its Metro and Food Basics merchants, will award 500 grants of \$1,000 each to elementary schools and high schools in Ontario communities in which we operate. **Project must be completed by June 21, 2019.**
