# LAND ACKNOWLEDGEMENT

We affirm that we are all treaty people and acknowledge that the York Region District School Board is located on the lands of two treaties. These treaties have been signed with the Mississaugas of the Credit First Nation and the First Nations of the Williams Treaties who are: the Mississaugas of Alderville, Curve Lake, Hiawatha, Scugog Island; and the Chippewas of Beausoleil, Rama, and Georgina Island, who is our closest neighbour and partner in education.

To honour this agreement we will take up our responsibility to be respectful of their traditions, knowledge and inherent rights as sovereign nations. We will respect their relationship with these lands and recognize that our connection to this land is through the continued relationship with these First Nations, and we acknowledge our shared responsibility to respect and care for the land and waters for future generations.

# Choosing for Grade 12 - What to Consider

## **Will you meet all graduation requirements?**

30 credits, 40 hours, literacy test, 2 online credits/opt out = OSSD

**Please note: IDC Courses** - students can only select ONE IDC course in Grade 12

## **At this stage, it is not about leaving doors open.**

It is about taking courses required for post secondary programs - do your research

It is about taking courses you do well in

## **What is your post-secondary pathway destination?**

- Workplace: OSSD
- Apprenticeship: OSSD + requirements (which vary). Consider OYAP.
- College: ENG4C or ENG4U + combo of Gr. 11 & 12 C, M or U courses
- University: ENG4U + 5 M or U courses = 6 courses (check prereqs)

# Grade 12 - FULL TIME Status

- In Grade 12, students must have a minimum of 3 courses each semester. Courses taken outside of Westmount are not included in this count
- **After mid-term** report cards are handed out, students **may request to drop a course** and take a minimum of 2 courses for the remainder of the semester
  - **1 course is never allowed**
  - Only courses you have been attending regularly will be approved to drop

**ALL GRADES  
WHAT TO CONSIDER**

- Group 1, 2 and 3 compulsory courses - see Course Selection Placemat for details
- Do not select a compulsory course if you're taking it in summer school or elsewhere. In myBlueprint, change the compulsory course to a different elective. \*\*See Guidance
- **Number of Required Courses Per Year:**
  - Grade 9 - 8 courses
  - Grade 10 - 8 courses
  - Grade 11 - 8 courses
  - Grade 12 - We recommend selecting 7 courses

*\*2 alternates are always required for every student*

**A Message from Ms. Maharaj**

***The Importance of  
Course Selection***

- Students will be choosing courses **once** this year. This means once you submit, there are no changes.
- Take your time, do your research, ask questions. Be satisfied with your choices now.
- The timetable for all grades will be built on your course selections from February.

- Students are selecting courses that they would like to take at WCI - Selection does not guarantee placement in a course on your timetable.
- Alternate courses are important.

# **Be accurate and intentional with your choices.**

Grade 10s can pick Grade 11 courses in February.  
Grade 11s can pick Grade 12 courses in February.

*\*Note:* A grade 10/11 student may be removed from an upper grade course.

*\*Note:* After the February deadline, students cannot request an upper grade course until all students in that grade have been placed in their required courses.

- How are the number of sections per course allocated?

An example:

134 kids sign up for Grade 10 English (compulsory - need to have room for all students). 5 sections run.

134 kids sign up for Law (elective course). 4 sections run.

*Compulsory courses vs. elective courses*

- How do we decide if courses are cancelled?
