Inspire Learning!

Westmount CII

Dear Families and Community Members:

At this point we are really into the swing of things and school is “rocking and rolling”!

On Tuesday, October 16th we invited the community to attend our ARTS WESTMOUNT Open House. Our staff and students did a wonderful job of demonstrating what our ARTS classes look like, feel like and sound like. Those who attended were amazed by the high quality of the performances and how well our students were able to articulate what they learn and why they enjoy, being an ARTS student at Westmount.

We also hosted our annual Holocaust Assemblies. Two different Holocaust survivors, with very different stories, came to the school and met with most of our Grade 9 and Grade 11 students. The students were very moved by what they heard and I know they were impacted by what our guests had to say. We are very grateful that these speakers were able to come to the school. We thank Ms. Jennifer Feldman for organizing this annual event.

Graduating students should be paying attention to all the “tweets” from the Guidance department as there is some very important information. On October 18th, all graduating students attended an important grad preparation assembly during period 2. In addition, all graduating students’ information regarding booking your graduation portraits will be coming out soon!

Parents Night is Thursday, October 25th, beginning at 6:30 pm and ending at 8:30 pm. 6:30 pm – 7:30 pm will be in the Atrium where you can meet your child’s teachers and have a quick “hello” and progress and update. 7:30 pm to 8:30 pm will be for appointments. All appointments are booked through EDSBY so you must have an EDSBY account to do this.

Monday, October 22nd is a PD Day. While the students will be busy sleeping in and making their own plans, all staff at school will be busy with professional learning. Our focus for this PD Day will be looking at math and numeracy skills and how they can be integrated into all subject areas. In addition, we are offering SAFE TALK, a suicide awareness training for any interested staff and I am very proud that many of our staff have already signed up for this workshop.

On October 31st Student Council is hosting our annual Halloween celebrations. WCI has a great tradition of dressing up – staff and students – and taking part in some spooky celebrations.

Our next School Council meeting will be Wednesday, November 14. Our guest speaker is Paul Davis whose expertise in the area of Social Networking Safely. He will be speaking to parents about teens and social media. We hope you can join us for this wonderful event.

Some very important upcoming dates:

- Wednesday November 1: University Fair at Bayview S.S. beginning at 7:00 pm
- Thursday November 8: Grade 8 Open House beginning at 7:00 pm (with a Special Ed info session 6:30 to 7:00)
- Friday November 9: All students will be attending our Remembrance Day assembly
- Wednesday November 14: all grade 9 students will be participating in “Take Your Kids to Work Day”. There will be no classes for grade 9 students on this day. Also on this day, we will be hosting the grade 8 students from our elementary feeder school to experience what high school is like and what they should expect next year.
- Monday November 19: All students will receive their mid-term report cards.

I continue to look forward to working with you to make this year a success for all.

Ms. Sheri Epstein
Principal

Dodgeball

Westmount Athletic Council held their first dodgeball tournament of the year. For a third year in a row the "Barry" team won. Congratulations boys.

Zumba

On Monday, October 15, the grade 9 female Phys-Ed students enjoyed a guest world renowned Zumba instructor - Alberto Valdes. He has a vast history of experience working as a professional dancer, performed with various known Latin artists, such as Daddy Yankee, and has participated in various Zumba events and congresses around the world. Our students had the pleasure of experiencing his high energy, unique moves and style. Everyone had a blast!

Girls Golf Team

Congratulations to the girls golf team for qualifying for the OFSAA golf tournament. This tournament hosts the best golf athletes from across Ontario. This year's tournament was held in Windsor at the Ambassador Golf and Country Club. After 27 holes Lauren Zaretsky was tied for second place, unfortunately a double bogie on hole 14 dropped her to 4th place. After two rounds she was +8. Shehna Akbary had an amazing first day playing the entire game with one ball. The duo sister Gaby and Jacky Goldshlager competed in their second OFSAA golf tournament and had a very strong showing this year. Gaby having one of her best rounds and an amazing second day. Jacky has improved her score from last year which is quite a feat having taken the summer off to rest a bad shoulder. We should be extremely proud of these girls, golf is an individual pursuit sport which takes an incredible amount of confidence, and resilience.

Westmount Parents and Guardians,

DECA is an international business competition through which students are provided the opportunity

to compete against other business driven students, internationally. The competition begins at the regional level, and progresses from there to provincial and international competitions. Over 1,500 students from the York Region will be competing at the regional competition on November 10, 2018, at Richmond Hill High School. Westmount alone will be having almost 140 students in attendance. On this day, an essential part of the competition is the judging. Approximately 120 judges are needed

on the day of the event to officiate, for which they will observe and score role-play business presentations, presented by students from across York Region. We need the help of the Westmount community in order to make this day a success!

The details of the event are as follows:

Date: Saturday, November 10, 2018

Time: 8:15am - 5:00pm

Location: Richmond Hill High School (201 Yorkland Street, Richmond Hill, ON)

Dress: Business Attire

The case cases and answers will be provided to you on the day of the event. A Judge Trainer will be assigned to your category, so, if you have any reservations about participating, please don't, there will

be people there to coach you!

If you are available and interested in assisting as a judge at the DECA York regional competition, please contact the DECA Westmount supervisor, David Coates, at david.coates@yrdsb.ca , and inform

him of your interest. You may then visit www.deca.ca , click on the purple button labeled "Come and Judge one of our SIX Regionals", and proceed to sign up as a judge.

Thank you in advance for your support and participation!

Cross Country

On Wednesday, October 10th, seventeen students represented Westmount at the Chris Deighan Invitational Cross Country meet. This was the first competition for our team in the 2018-2019 school year, and all runners performed well. Stay tuned for the next meet on October 25th when the WCI X-Country team competes in the YRAA Championships!

Westmount Tennis

Our Junior and Senior tennis players did an amazing job representing Westmount at the YRAA West Qualifiers this week. Our entire junior team of Ryan Stern, Jordana Nisan, Sareh Salehito-ka, Abigail Bonder, Adam Uditsky, Simon Ho, Tyler Shea, and Carolina Zveiris will be advancing to the YRAA Championships next Thursday. Our senior team also did well with Lauren Shligold, Brittany Newton, Alicia Rodney, Dylan Weltman and Michael Nissan advancing to the Senior Championships next Tuesday. A huge shout-out to all the players who participated and made Westmount proud! Go Wolves!!

Music Retreat Camp Pine Crest

What a fun and amazing experience it was to spend the weekend together making music, team building and working on leadership skills with our students. The kids had such a fantastic time at Camp Pinecrest. Students enjoyed a fun weekend away making music, building relationships and making memories that will last a lifetime. We will keep you up to date in the fall.

Congrats to everyone!! You make us so proud!!

As of October 17, 2018, it will be legal for individuals **19 and older** to buy, use, possess and grow recreational cannabis. It remains illegal for anyone under the age of 19. This is the same as the minimum age for the sale of tobacco and alcohol in Ontario.

Regardless of age, cannabis is not allowed on school property or at school-related events at any time.

It is illegal for **anyone** regardless of age to smoke or vape any substance, including cannabis:

- at school, on school grounds, and all public areas within 20m of these grounds
- on children's playgrounds and public areas within 20m of playgrounds
- in child care centres, or where an early years program is provided
- in places where home child care is provided – even if children aren't present

There will be consequences for students if they are believed to be in possession or under the influence of alcohol, illegal drugs or cannabis. Suspension will be considered. There are exceptions if the medicinal use of cannabis is outlined in the student's Health Care Plan.

If a student gives alcohol or cannabis to anyone under the age of 19, the school will contact police, suspend the student and consider expulsion.

In YRDSB, we want families and students to be informed about the facts of cannabis legalization. To support this learning, you may find the following resources helpful . You can also request a hard copy through the school office.

[Cannabis: What Parents/Guardians and Caregivers Need to Know](#)

[Cannabis Talk Kit: Know How to Talk With Your Teen](#)

We will continue to provide students with information and support to make positive and healthy decisions.

If you have any questions, please do not hesitate to contact the school's administration.

Legalization of Cannabis: What We Know and What You Can Do

Fact Sheet

From the Provincial Government*

1. You must be 19 or older to use, possess, buy and cultivate marijuana in the province of Ontario, the same age as purchasing and using alcohol. If 19 or older, you will be able to have up to 30 grams of cannabis at any one time and you will be able to grow up to four marijuana plants in your residence. However, this is less than 1% of our students.
2. You will only be able to order marijuana from a government website beginning Oct. 17. It will be available from the Ontario Cannabis Store (OCS) which will launch its official website on Oct. 17. This store will be able to sell dried marijuana, oils and accessories. They are not regulated to sell edibles but this will be added at a later date. All storefronts selling cannabis are now and will still be illegal after Oct. 17, until private licences will be issued on Apr. 1, 2019. The province of Ontario is giving municipalities until Jan. 22, 2019 to choose to opt out of allowing private storefront sales in their municipality.
3. Drug-impaired driving is a concern now and moving into legalization. In response, Ontario is establishing even tougher drug-impaired driving laws, including a zero-tolerance approach for young, novice and commercial drivers. Zero tolerance rules prohibiting young (age 21 and under) and novice (G1, G2, M1, M2) drivers from having the presence of a drug in their system, as detected by a federally approved oral fluid screening device. The penalties for being impaired from marijuana use are no different than those you would face from being impaired from using any other drug or alcohol. You can face licence suspension, vehicle impoundment, financial penalties, a criminal record and jail time.
4. You will be able to smoke marijuana wherever you can currently smoke cigarettes, for example, in most public spaces. You will not be able to smoke marijuana wherever tobacco smoking or vaping is not permitted. *Please note that these are the provincial regulations and by-laws could be different at a municipal level.
5. Medical cannabis has been legal since 2001. These policies and procedures will not change as a result of legalization.

From the Ministry of Education

6. Under the proposed legislation, a student under the influence or in possession of cannabis on school grounds and during school-related activities would remain an activity for which suspension would be considered (except for cannabis used for medical purposes and outlined in the student's Health Care Plan). Suspension would be required and expulsion would be considered if a student shares cannabis with anyone under the age of 19 years old.

- a. Suspension
 - i. Possessing alcohol or illegal drugs: “alcohol or illegal drugs” substituted with “alcohol, illegal drugs or, unless the pupil is a medical cannabis user, cannabis”
 - ii. Being under the influence of alcohol: “alcohol” substituted with “alcohol or, unless the pupil is a medical cannabis user, cannabis”
- b. Expulsion
 - i. Giving alcohol to a minor: “alcohol” substituted with “alcohol or cannabis”

From our Police and School Boards Protocol

- 7. The Police and School Boards Protocol has not changed. For any quantity of cannabis, administrators are to contact police through the Non-Emergency Line to commence an investigation and have YRP collect the cannabis.

Resources

- 8. The Ontario Ministry of Education, Canadian Centre for Substance Abuse and Health Canada have provided great resources to support staff, students and families’ understanding of cannabis and what legalization means, specifically:

 - b. [Cannabis Information for Students: Important Things to Know](#)
 - c. **Cannabis Information for Families**

Check Google Classroom for upcoming certifications, Reach Aheads, Experiential Learning Opportunities and ICE challenges.

What is SHSM anyway???

Specialist High Skills Majors let students focus on a career path that matches their skills and interests while meeting the requirements of the Ontario Secondary School Diploma (OSSD). Students receive the SHSM seal on their diploma when they:

- complete a specific bundle of 8-10 courses in the student's selected field
- earn valuable industry certifications including first aid and CPR qualifications
- gain important skills on the job through cooperative education placements.

Who are they for?

Grade 11 and 12 students who are:

- heading for apprenticeship training, college, university or the workplace
- wanting to identify, explore and refine their career goals and make informed choices about their next steps after secondary school.

How can they help?

Students have the opportunity to:

- gain important skills on the job with actual employers, at skills training centres and at school
- earn valuable industry certifications, including first aid and CPR qualifications.

It is NOT too late to apply! Visit <https://sites.google.com/site/wciguideance/specialist-high-skills-major> and complete the form!
