Remembrance Day
Let's We Forget

Dear Families and Community Members:

It is hard to believe, but we are approaching the halfway point of the semester and it is truly remarkable how many incredible things go on in this school each and every day, thanks to both staff and student commitment.

October was a very busy and exciting month. We hosted our annual Awards Assembly, Arts West Information Evening and our Semester One Parents' Night. We were thrilled with the turnout to each of these events. It is always a pleasure to meet with our parents and guardians. Interim Reports were distributed earlier this month. Sporting events, field trips including a Music Retreat, a Spirit Day, Halloween events, and the first Grade 12 Graduation Preparation assembly all took place as well.

Next month will prove to be just as busy. Our annual Grade 8 Open House will take place on November 8, where students and their parents/guardians join us to find out what high school is like at WCI. A Remembrance Day assembly will take place on November 9, commemorating all of the lives that were lost for the freedoms we experience and enjoy today.

On November 14, our Grade 9 students will participate in "Take Your Kids to Work Day". This is a valuable learning opportunity for students to explore the world of work with their parents or guardians. We encourage all of our Grade 9 students to participate in this form of experiential learning. On the same day, we will host the Grade 8 students from our local feeder schools, to a "day in the life of a high school student". Our future students will tour the school, follow a typical Grade 9 timetable, and participate in other events planned by the Guidance Department. This is just one of the transition activities we plan for our incoming Grade 9 students to help them prepare for high school life.

Mid-term report cards will be distributed to all students on Monday, November 19. The administration team will be reviewing and signing each report card. If you have any questions or concerns, please don't hesitate to contact us or teachers directly. When we work together, it is beneficial for all of our students.

Looking ahead...

- School Council Meeting - Tuesday, November 27 at 7:00 pm in the Library
- Graduation Photos begin - Monday, Nov. 5 (book appointments on-line a.s.a.p.)
- P.A. Day – Friday, November 23

As we turn back the clocks for an extra hour of sleep, I wish you a wonderful weekend!

Barb Caravella

Vice-Principal

IMPORTANT! Pathways Planning and Course Selection Platform: Grades 7 - 12

The York Region District School Board will be providing your child with an engaging and new interactive online education and career/life planning platform starting in November 2018.

Career Cruising will not be available to students after November 15, 2018. *Students will be notified via their GAPPS account email of the steps required to save information, that has been stored in their Individual Pathway Plan (IPP,) from Career Cruising into their GAPPS account.*

This new platform will include a number of beneficial resources to support your child as they progress from grade 7 to 12, including:

- **Who Am I** – 6 unique assessments for self-exploration and discovery (including Learning Styles, Myers-Briggs Personality, Holland Interests, Knowledge, Motivations, and Compatibility)
- **High School** – A tool to visually plan courses, track progress toward graduation, and instantly identify post-secondary eligibility for opportunities in all pathways
- **Post-Secondary** – A database to explore post-secondary opportunities and compare detailed information on apprenticeships, college programs, university programs and workplace sectors across Canada
- **Goals** – An interactive goal setting tool to set S.M.A.R.T. goals and action plans
- **Occupations** – A database of over 500 occupations to compare comprehensive information on jobs
- **Resumes & Cover Letters** – Interactive tools to record personal experiences, build resumes and write cover letters
- **Money** – An engaging budget-making tool to help students track income and expenses and develop financial literacy
- **Job Search** – A tool to explore real-world job postings that relate to occupations of interest
- **Portfolios** – A portfolio builder to create multiple portfolios and share it with parents, teachers, or future employers

Schools will be receiving more information regarding the transition to this new platform in the coming weeks and will continue to provide students and parents/guardians with updates.

Grade 9 EQAO Math

In preparation for the Grade 9 EQAO Math Assessment (that all students currently taking Grade 9 Math will complete in January), WCI is proud to offer an after school learning opportunity **for students currently registered in any Grade 9 Math class**. The class will run every Tuesday and Thursday, between 3:30 – 5:00 p.m., from November 13th to December 13th inclusive. Attendance at all ten sessions is required. This program will help students review and prepare for the upcoming assessment and will be taught by a WCI Staff Member. A registration form and more information can be found later in this bulletin. We also hope to run the program again, during second semester, for students who have Grade 9 Math between February and June. Should you have any questions about this program, please connect with your child's Math teacher.

Field trips / Athletic events

Wednesday, Nov 7

- Stratford Festival—Dolha, Cumming
- Skyzone—Madil, Alweyn, Hamilton, Phone, Teixeira

Thursday, Nov 8

- McMaster University—Soon Shiong

Saturday, Nov 10

- DECA Regionals—Coates, Salamat, Rosen, Grigorova

Tuesday, Nov 13

- RH Centre for the performing Arts—DD—Berditchevskaia

Friday, Nov 16

- U of Guelph—Soon Shiong
- Downtown Toronto—Bonder, Harte

Truth and Reconciliation in Action

In June 2015, the Truth and Reconciliation Committee released its final report. Contained within were 94 Calls to Actions, for all Canadians, but also specifically for people who work with young people. Specifically, Call to Action # 63 says:

We call upon the Council of Ministers of Education, Canada to maintain an annual commitment to Aboriginal education issues, including:

- Developing and implementing Kindergarten to Grade Twelve curriculum and learning resources on Aboriginal peoples in Canadian history, and the history and legacy of residential schools.*
- Sharing information and best practices on teaching curriculum related to residential schools and Aboriginal history.*
- Building student capacity for intercultural understanding, empathy, and mutual respect. Identifying teacher-training needs relating to the above.*

In order to facilitate professional learning to support the Call to Action, 9 WCI Staff Members are now engaged in an online course, offered by [Facing History and Ourselves](#), called [Stolen Identities](#). You may already be familiar with Facing History and Ourselves through their work with Holocaust Education, and the Stolen Lives course represents the first time that they have looked at an issue within Canada, in this case, the residential schools system that existed for Indigenous Canadians into the 1980s. The course looks at how educators can incorporate, discuss and examine the on-going impact of the residential school system. Please visit the websites linked above to learn more about this professional learning opportunity.

After School Literacy Program – Fall Session

Is your child in Grade 10 and worried about passing the OSSLT? Could your child use some extra help with reading and writing skills? Has your child written the OSSLT but was unsuccessful and now needs to write the test again? Westmount will be offering an “After School Literacy Program” but registration is limited - applications are available in the Main Office. All forms are DUE to the Main Office by November 6th.

Course Dates: Tuesdays and Thursdays after school

Duration: November 13 - December 13 (5 weeks only)

Time: 3:30pm - 5:00pm

Room: 227

Don't delay, register today!

Soccer Team

Congratulations to our boys soccer team who pulled off a terrific comeback in the quarterfinal of yesterday's YRAA championship against Aurora HS. After going down 2-0, the Wolves got one back on a goal by Gideon Joseph, before Bjorn Boci equalized late in the game. Extra time solved nothing, and the Wolves went to penalty kicks, where we went 5 for 5 and Eitan Berger proved the hero, stepping up and saving their third kick. Semi finals are on Tuesday against St. Robert's. Go Wolves!

DECA REGIONALS COMPETITION

Westmount DECA will be competing in the York Regionals competition on **Saturday, November 10th**. The competition requires industry professionals (including parents) to participate as judges. DECA Ontario has requested that schools recruit judges from the parent community to help out during the day. The ratio for Westmount is **9 judges** are asked to participate.

As a judge you will be assigned a business category and an assigned case, for the day, where students from across the region, competing in this category, will come before you to present their solutions. At the end of the day you determine the rankings of the competitors presentations. Please see letter below for more information and if interested, please contact Mr. Coates and register at www.deca.ca

DECA is an international business competition through which students are provided the opportunity to compete against other business driven students, internationally. The competition begins at the regional level, and progresses from there to provincial and international competitions. Over 1,500 students from the York Region will be competing at the regional competition on November 10, 2018, at Richmond Hill High School. Westmount alone will be having almost 140 students in attendance. On this day, an essential part of the competition is the judging. Approximately 120 judges are needed

on the day of the event to officiate, for which they will observe and score role-play business presentations, presented by students from across York Region. We need the help of the Westmount community in order to make this day a success!

The details of the event are as follows:

Date: Saturday, November 10, 2018

Time: 8:15am - 5:00pm

Location: Richmond Hill High School (201 Yorkland Street, Richmond Hill, ON)

Dress: Business Attire

The case studies and answers will be provided to you on the day of the event. A Judge Trainer will be assigned to your category, so, if you have any reservations about participating, please don't, there will

be people there to coach you!

If you are available and interested in assisting as a judge at the DECA York regional competition, please contact the DECA Westmount supervisor, David Coates, at david.coates@yrdsb.ca, and inform

him of your interest. You may then visit www.deca.ca, click on the purple button labeled "Come and Judge one of our SIX Regionals", and proceed to sign up as a judge.

Thank you in advance for your support and participation!

Jungle Sports

Physical Education classes at Westmount C.I. are participating in Jungle Sport set up in the main gym. Students are participating in rock climbing, obstacle courses, vertical challenges and high ropes. Students are challenging themselves in individual endeavors while having a great time!!

WOLVES WEEKLY

Community Class Halloween

On Wednesday, November 31, the students of the Community class came dressed up for Halloween.

Everyone was so excited about the day!

We decorated the pumpkins and took them home.

Dear Parent/Guardian:

The Ministry of Education has provided special funding for after school numeracy programs for students in Grades 7 to 12. The goal of this program is to build the mathematical literacy skills of students who may have struggled for many years, experiencing minimal success, who may require additional positive supports. We will be running this program at Westmount Collegiate every Tuesday and Thursday on the weeks of November 13th, 20th & 27th, December 4th and 11th, from 3:30 p.m. – 5:00 p.m.

The After School program consists of ten sessions of one and a half (1.5) each. Students will attend the sessions to receive intensive instruction designed to build their own comfort, confidence, and competence in mathematics. At the end of the sessions, each student will complete a checklist of strengths and needs.

While receiving additional assistance through the After School program, your student will continue to receive regular instruction from his/her classroom teachers related to the mathematics required for their grade level. We are sure that this program will make a difference in your child's knowledge and confidence related to mathematics.

Please read and complete the attached Student Registration Form. Your signature is required as permission for your child to participate in the After School program. **Attendance at all ten sessions is required.** A commitment from at 12 students is necessary for this program to be offered, though additional sections may be added, should registration warrant.

Please return this sign up, to the **Main Office** no later than November the 9th.

Should you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'T. Taylor', with a long horizontal flourish extending to the right.

Todd Taylor
Vice Principal

Please choose sizes carefully. All orders are made to order.

Sizing samples are available at Bare Necessities.

FLU SEASON IS HERE

Get the flu shot as early as possible

The first and best step to preventing the flu (or influenza), is to **get the flu shot every year**. The flu spreads quickly and easily from an infected person to others and anyone can get it. Getting the flu shot can protect you, your family and those around you.

Students may be at higher risk of getting the flu as they come together in close public spaces including the classroom, gymnasium, cafeteria and library.

The flu shot is especially important for students who have a chronic condition (e.g. asthma, diabetes) or those who live with or have close contact with a pregnant woman, kids less than five years old, or a resident of a nursing home or other chronic care facility since these groups are at higher risk of getting very sick or being hospitalized because of the flu.

Flu shots are **free** and are readily available at:

- Health care provider's offices for people six months of age and older
- Participating pharmacies, for people five years of age and older

In addition to getting the flu shot annually, here are some other health tips that can help prevent the spread of the flu:

- Wash your hands well and often with either soap and water or alcohol based hand rub
- Cover your mouth and nose when you cough or sneeze (if you do not have a tissue, cough into your upper sleeve)
- Avoid touching your eyes, nose and mouth
- Stay home when you're sick
- Clean and disinfect surfaces and shared items

It's important to get the flu shot as early as possible as it can take nearly **two weeks** for the influenza vaccine to take full effect.

To learn more about flu and flu vaccine, visit york.ca/flu.
