Dear Families and Community Members,

It is hard to believe, but we are approaching the halfway point of the semester and it is truly remarkable how many incredible things go on in this school each and every day, thanks to both staff and student engagement and involvement.

October was a very busy and exciting month. Along with sports, field trips, visits from post-secondary institutions, a graduation assembly, and photo retake day, we hosted our annual Awards Assembly, Arts West Information Evening and our semester one Parent/Teacher Interview Night. We were thrilled with the turnout at each of these events. It is always a pleasure to meet with the parents and guardians who send their children to us each and every day. We hope that these events were enjoyable, informative and helpful. Exciting events and activities were planned for our annual Halloween spirit day. A special thanks to the students who collaborated and worked hard to organize this event for the entire school. Well done!!

This month will turn out to be just as busy and exciting. On Wednesday, November 6, our Grade 9 students will head off to “work” as they participate in “Take Your Kids to Work Day”. This is a valuable learning opportunity for students to explore the world of work as they shadow their parents or guardians or a community host. We encourage all of our Grade 9 students to participate in this form of experiential learning. A Remembrance Day assembly will take place on Monday, November 11, commemorating all of the lives that were lost for the freedoms we experience and enjoy today.

Mid-term report cards will be distributed to all students on Monday, November 18. The administration team will be reviewing and signing each report. If you have any questions or concerns, please don't hesitate to contact us or teachers directly. Be sure to ask your child for their report card. When we work together, all students benefit and success is realized.

Looking ahead, Graduation Photos will begin on Monday, November 4 (by appointment only), our Grade 8 Open House will be held on Tuesday, November 12, and there will be a P.A. Day on Friday, November 15 (no school for students).

As we turn back the clocks for an extra hour of sleep and add another layer of clothing. I wish you all a wonderful and restful weekend.

Best regards,

Barb Caravella
Vice-Principal

Dear Westmount CI Families,

It is important to us that we provide a caring, safe and inclusive environment in our school that supports the academic achievement and well-being of all students. To support this environment, the Ontario Ministry of Education has revised the provincial Code of Conduct (Policy/Program Memorandum No. 128) to include a restriction on the use of personal mobile devices during instructional time as of November 4, 2019.

The revision states that the use of personal mobile devices (i.e. cell phones) during instructional time is not permitted unless under the following circumstances:

- for educational purposes, as directed by an educator;
- for health and medical purposes;
- to support special education needs and/or English-Language Learners.

We recognize that learning can be enhanced by technology and we have created opportunities in our classrooms to leverage digital tools to enhance teaching, learning and communication.

As shared in the [Guide to the School Year 2019-20](#), it has always been our policy that cell phones and other personal communication devices must be turned off and kept out of sight during all instructional periods, except with the clear permission of the principal or the classroom teacher. Additionally, camera and/or video functions on mobile devices are not permitted for use on school property without clear permission from the principal or teacher. At no time may mobile devices be used in washrooms or changerooms.

Infractions will be dealt with as student discipline, under [Caring and Safe Schools Policy](#) and its related procedures. Check with the school's main office to find out if students may bring mobile devices into the classroom, use them in school, or if they must leave these items in their backpacks/lockers. Students are responsible for the care and security of their personal devices. The school is not responsible for any damage, loss or theft.

For more information on why the Ontario Ministry of Education is making this revision, please see their [Cellphones and Other Personal Mobile Devices in Schools: Questions and Answers guide](#).

Thank you for helping us create a safe, respectful and inclusive school community. If you have any questions, please do not hesitate to contact the school's administration.

3 people	\$37,234
4 people	\$45,206
5 people	\$51,272
6 people	\$57,286
7 people +	\$64,381

Desktop computers are available for \$71 and laptop computers are available for \$161, including software, a two-year hardware and labour depot warranty, and delivery to the school. Parents and legal guardians may apply for one computer per student, with a limit of two per household.

If you are interested in applying, please finalize your order no later than **November 7, 2019** by completing an online application at www.rcto.ca/outreach using the group code on the attached program flyer.

Please note: If you do not pay by November 7, 2019 you will not be eligible to receive a computer.

Please note - There are sections in the RCT Online Application that are no longer applicable:

- Requirement of Proof or Documentation of Income
- Requirement to participate in training prior to receiving your computer/laptop

The Section on Course of Study can pertain to elementary or secondary.

If you do not have access to a computer or the Internet, you may arrange to use a school computer to complete the application online.

For more information, including complete application and payment instructions, please refer to the attached program flyer and checklist.

Sincerely,

Todd Taylor
Vice-Principal

Portrait appointment information

PEGASUS School Images offers you a variety of poses, props and backgrounds to choose from making your portrait session unique and professional.

Frequently Asked Questions

When will I receive my proofs?

Shortly after your Portrait Session you will receive an e-mail with your secure login information and link to the Pegasus proofing website. Once online, you can view all your poses, order photo packages and create custom portrait products using your own poses. You can select which poses you want to order from. All Portrait prints that are ordered will undergo Professional Retouching and will be balanced for perfect colour! You will be asked for an e-mail address at your portrait session.

What will Retouching do? Pegasus School Images is proud to offer you the very best in professional portrait digital retouching. All portraits are professionally retouched and colour balanced resulting in the best quality portraits possible.

How do I place my order?

You can order securely online at www.pegasus-si.com. We accept Visa, Mastercard, Cheque, and Money Orders.

How should I prepare for my portrait sitting?

Ladies: We suggest that you wear a white blouse with a crisp collar. Makeup and hair should be kept natural. Arriving early for your appointment will give you time to do any necessary touch ups. Your hands will show in some of the poses so remember that well manicured nails and your favourite ring will enhance your portraits.

Gentlemen: We suggest a dress shirt with a crisp collar and a tie of your choice. A white shirt and dark tie are a nice contrast to consider. Hair should be neat and time your haircut about a week before your appointment. Keep in mind that your hands will show in some of the poses and you may wish to wear your favourite ring. A close shave the day of your sitting is also recommended.

Other questions? We invite you to call our Customer Service at 1-800-461-6575 with any other questions or if you need assistance with placing your order.
