

Let's Work Together for a Safe Student Drop-Off and Pick-Up!

It is important for us to review the Kiss and Ride procedures once again to ensure that all of our students, parents and staff are safe. As you know, the Kiss and Ride can become very congested in the mornings and after school. We ask for your co-operation in reducing the congestion. This is possible if we work together as a school community. As many families seem to be arriving just before or after the morning bell, we ask that families arrive a little earlier in the morning to alleviate the last minute rush. Students should be in the school yard to enter with their class. If you are driving your child to school, please consider parking on Trimble Court to drop off your child. If you choose to use the Kiss and Ride, please ensure that you **drive your vehicle up to the FRONT of the drop-off zone before allowing your child to exit the car please do not park on the cross walk**. A reminder, you may **NOT STOP AND LEAVE YOUR VEHICLE** in the Kiss and Ride. If you wish to walk your child to the yard, please park on Willowbrook Road or Trimble Court.

Bus Loop: Only board transportation vehicles are per-mitted in this area. Please use the Kiss and Ride at all times of the day, including lunch. We want to ensure the safety of all of our students.

Kiss and Ride Drop-Off: Only drop off in the area marked in yellow (not the passing lane). Please move up to the front of the marked area to allow other cars to stop.

IMPORTANT REMINDERS:

Please ensure if you are using the Kiss and Ride that you proceed **SLOWLY AND CAUTIOUSLY** through the parking lot. We want to ensure that everyone is safe.

When pulling away from the curb please ensure that you check for students/parents and oncoming traffic.

Also, please note that Kiss and Ride staff supervision ends at 8:35 am.

In an effort to maintain student safety **please do not enter the parking lot during drop off or pick up times.**

The only area permitted for stopping is the Kiss and Ride lane by the curb. Please **DO NOT** stop behind the parked cars.
