Woodland Fundrasing!

Dear Woodland Families,

It is hard to believe that it is June already! We can feel the summer in the air and with it, a break from the routine of school and the possibilities of great adventures for the young ones and for the young at heart.

May started off with the very successful and well attended Arts night concert. What a wonderful evening that was put on by our very own talented students here at Woodland. We are so proud of all of you and want to extend a huge thank you to all staff for their hard work and dedication in spearheading this event.

Our Family Dance was extremely well attended and wildly successful. Mother Nature was good to us that day as she had been threatening rain in earlier forecasts. We want to extend our sincere thanks and appreciation to all of the volunteers who gave countless hours of their time in ensuring the dance was the success that it was. In particular, we would like to recognize Hilary Jacob as the organizer and driving force of the Family Dance ~ thank you Hilary!

June is always incredibly busy with final assemblies, report cards, graduation, and wrap up activities. As the month comes to a close, it is time for us to say thank you and goodbye to a several staff members. Mme Pirbhai is moving to Romeo Dallaire P.S., and Mme Rosca is going to Milliken Mills P.S. We would like to wish Mme Lusan the best of luck as she continues her teaching career within the board. We wish them all the best and will miss their smiling faces, positive energy and great teaching. Good luck in your new schools!

We welcome back Mme Avram to Woodland and extend a warm welcome to our new families coming from Yorkhill E.S. as Grade 4 students in September. We know you will embrace them into the Woodland community and encourage them to become involved with school events and fundraisers.

Lastly, we want to thank you, the students and the parents of the Woodland community for your support, dedication and open communication. It has been a pleasure for us to work with you this past year, and we are grateful for the positive relationships.

Have a super summer, filled with fun and laughter. Take time to spend with friends and family, and of course, take time for yourself. We look forward to seeing you all in September! Be safe and be well!

Tonya Vokey-Young

Message from our Trustee Susan Geller

As the school year comes to a close, I would like to thank you for all that you have done to help make this school year a successful one for our students.

We share a common goal - to give our young people every opportunity to reach their full potential, and we all have a role to play in supporting that goal. However you choose to get involved, your engagement and support make a difference. We know that good schools become better schools when they are connected with families.

Thanks to the ongoing efforts of our students, families, staff members and community partners, we are creating a welcoming, caring and inclusive learning environment that fosters student achievement and well-being.

As we move into summer, I encourage you to seek out opportunities to continue and complement the learning that takes place throughout the school year. That could mean taking a nature walk, visiting a museum or reading a book. Whatever your plans are over the next few months, I hope you have a safe, relaxing and enjoyable summer.

Fight the Bite!

Protect yourself against West Nile virus and Lyme disease

If you are heading outdoors to keep active, go camping or work in your garden, protect yourself and your family against West Nile virus and Lyme disease. West Nile virus is spread to humans through the bite of an infected mosquito; Lyme disease is spread through the bite of an infected blacklegged tick.

What you can do:

- Cover up when you go outdoors with light coloured long sleeved shirts and pants
 Use an insect repellent containing DEET
- . Check yourself and your children for ticks
- . Clean up standing water around your home where mosquitoes like to breed

You can still enjoy the great outdoors; just remember to Fight the Bite!

For more information about West Nile virus and Lyme disease, including the safe removal of ticks, contact York Region Health Connection 1-800-361-5653. TTY 1-866-252-9933 or visit: york.ca/westnile or york.ca/lymedisease
