6:20	Principal's Report	Principal Profile	Nereo	5	Central office has asked schools to submit principal profiles (job descriptions of principals). We were asked to read through the administrative profile to provide feedback. There was a brief discussion on administrators with varying degrees of knowledge in various fields (e.g., special education). Any notes would be collated and submitted – we can revisit this at a later time.
6:25	Pan Am Games		Jennifer	5	Date has changed – before it was May 28 - May 13 is the new date. The format has changed a bit – we are looking at a multicultural food night, flag ceremony – Canadian and French national anthems will be played – teachers will help students make flags. We are trying to get speakers, as well as judo, fencing, table tennis demo activities. Contribution – there will be a community tour – big tent and tables where there will be small giveaways (for giveaways we cannot get grants so we need to get approval from council to receive extra money to buy more. We need a

					<p>volunteer regarding the food component. Suggestion: \$150 for refreshments – Latin American type of food. There will also be contributions from the school community. One of the speakers can present on the night of the 13<sup>th</sup> and/or on the day of the 14<sup>th</sup>. The 15<sup>th</sup> is available in case (rain date). On the 14<sup>th</sup> we can do many of these fun things. Money from the grant can be used for Honorariums and speakers.</p> <p>Jennifer S.: In the bank is approximately \$30,000. She and Nereo will have a meeting about this. Nereo approved \$1000 to support the PanAm Games. PanAm Play Day is on the June 11th.</p>
