

Sept 15, 2020

Dear Families,

You are receiving this letter as we have not yet assigned a teacher to your child's virtual learning environment. To support your child's learning before a teacher is assigned, new lessons and activities will be posted each day by grade group on the [Elementary Virtual School \(EVS\) Activities Website](#). Please check this site each day this week. New lessons and activities will be posted by 10 a.m.

As shared yesterday, hiring of teachers for the Elementary Virtual School (EVS) continues. As a result, some classes are not yet ready for live (synchronous) learning. We recognize and appreciate the frustration this may cause and thank you for your understanding as we work through these processes. We apologize for the delay as we work diligently to set all our students and staff up for success during this unprecedented year of learning.

You will receive an email later this week with information about what to expect next week.

Please know that we will continue to send you updates and encourage you to visit our [EVS Website](#) for information as we continue to construct this new virtual learning environment for our students in YRDSB.

Sincerely,
The EVS Team
