

DRAFT - 2020-21 Semester 2 Secondary Adaptive Model Calendar (revised February 18, 2021)

Please refer to [this accompanying memo](#).

Blocking of Periods

Please note that the period schedule will remain unchanged for semester 2. Blocking of periods (P1&P2 and P3&P4) allows for Co-op/PAE students to have consecutive periods at their work placement for a minimum of 2-3 hours/ day. This is essential for the Placement Supervisor to properly train and support Co-op students in their knowledge and skills attainment as well as consistency in the company/organization workflow.

Traditionally, student’s travel time to and from a Co-op/PAE work placement occurred during a student’s lunch time and/or during Period 3 (in a 5 period school). On average, a student’s travel time is 30 – 40 min; thus, having the periods blocked would allow for students to make it to their placement or home on time for their next class.
